NSW Maritime and SLSNSW

The registration of this Vessel is strictly for "Surf Rescue" activities and does not register a vessel for any other type of activity. By registering a vessel using this form, all associated parties agree to meet the Water Traffic Regulations – NSW under section 38(4A) of the Maritime Service Act 1935.

SLS Surf Rescue Identification Number

All Surf Rescue Vessels must display the allocated SR Registration Number on both its port and starboard gunwales. The registration numbers must be installed in block letters, at least 150mm in height in black or contrasting colour to the background.
