8. General Conditions

- 8.1 The Champion Club can only receive *the major prize* once every three years, i.e. should a Club win consecutive years, they can only receive the prize once in that period.
 - 8.1.1 The title Champion Club will remain with the winner.
 - 8.1.2 The major prize will be given to the second place-getter.
 - 8.1.3 Notwithstanding the above, part of the major prize will go to the winner, e.g. 50% of the prize. If the second place-getter has previously received the prize, as a consolation, then the prize will be given to the third place-getter. The interpretation of this part is that any one club cannot win the prize more than once in three years, but the Champion Club Winner could receive the prize three years in a row.
- 9.2 Nil points for nil participation in any area.
- 9.3 Weighting factor to be determined by using the prior year's Branch annual report figures for 13-15, 15-18 and 18+ active members. Weighting figures are calculated by dividing a Club's total active membership figure into the total active membership figure of the Club with the largest number of active members.
- 9.4 Monthly feedback to be given to Clubs not returning documentation on time.
