8. **Competition** – 15 points maximum

9. **General Conditions**

- 9.1 The Champion Club can only receive the major prize (i.e. IRB Hull and Motor) once every three years, i.e. should a Club win consecutive years, they can only receive the prize once in that period.
- 9.2 The title Champion Club will remain with the winner.
- 9.3 The IRB Hull will be given to the second placegetter.
- 9.4 Notwithstanding the above, part of the major prize will go to the winner, e.g. fully equipped IRB-hull would go to the second placegetter and IRB motor to the winner. If the second placegetter has previously received the hull as a consolation then the hull will be given to the third placegetter. The interpretation of this part is that any one club cannot win the hull more than once in three years, but the Champion Club Winner could receive the motor three years in a row.
- 9.5 Nil points for nil participation in any area.
- 9.6 Weighting factor to be determined by using the prior year's Branch annual report figures for cadet, junior and senior active members. Weighting figures are calculated by dividing a Club's total active membership figure into the total active membership figure of the Club with the largest number of active members.
- 9.7 Monthly feedback to be given to Clubs not returning documentation on time.
