CIRCULAR NO: 06/12-13

TO: Clubs, Secretaries, Presidents, Captains, Chief Training Officers, Gear Stewards

FROM: Peter Quartly, BoL Secretary

CC: SLSS Management, BoL Management, Gear Inspection Panel

SUBJECT: Gear Inspection 2012

Please be advised that the SLSS Annual Gear Inspection will be held this season over the weekend of the **Saturday 8th September (Waverley & Randwick) and Sunday 9th September (Sutherland & RNP) 2012.**

Full details and times will be provided by Branch via circular shortly.

Clubs are reminded to ensure that their gear and equipment in Surfguard is updated in advance of the annual Gear Inspection. This is to include deleting any sold or discarded gear and adding any new gear. This should also be updated over the course of the year as equipment changes.

Clubs Gear and Equipment in Surfguard is accessed via Organisational Management/Gear & Equipment/Manage Gear & Equipment.

We appreciate the weekend is a little way off, however, we would request that Clubs give consideration to updating their records, at your earliest convenience and set up a protocol, if not already in place to add/remove items as they are purchased or disposed.

Should you wish to discuss any aspect in relation to the Annual Gear Inspection, it is requested that you contact myself or our Deputy Director of Lifesaving John McNamee Ph. 0419 470 571 or alternatively speak to your Lifesaving Area Supervisor.

SLNSW has recently issued Circular 3276 with information of 2012/13 Gear Inspections. The Branch will be issuing further information via Circular for our Clubs within the next week.
