Proposed Agenda for In Service

- Protocols for organising assessments
- Bronze Medallion
- IRB Crew and Driver
- ARTC

Followed by Upgrade Workshop for those needing to stay and participate in this.

Upgrade Background

As you are aware, Branch has worked with SLSNSW during the winter to upgrade Trainers to TAE qualifications and it is now time to complete the appropriate Assessor and Facilitator upgrades.

These upgrades which will be conducted in a workshop to complete the 3 gap tasks required for those who have either the BSZ or TAA units of competency - ie. Do not have the 3 TAE Assessor units of competency. A list of Assessors who will need to undertake the upgrade workshop is attached for your information.

All upgrade documents will be provided at the workshop and it is proposed that this workshop will be conducted at the conclusion of the Assessor/Facilitator In Service which should take up an hour and a half.

I look forward to your attendance at one of the above dates.
