ISSUE DATE: 6th November 2012

CIRCULAR NO: 26a/12-13 (updated version)

**TO: Clubs, Presidents, Secretaries, Captains,
Chief Training Officers, BoL Assessors**

FROM: Peter Agnew, Advance Awards Co-ordinator

Cc: SLSS Management, BoL Management

SUBJECT: SPINAL MANAGEMENT TRAINING AND ASSESSMENT (Updated Version)

Action Clubs can now conduct Spinal Management award courses using their probationary trainers and assessors. Probationary trainers and assessors should follow the below accreditation process to gain their respective awards.

Background

As part of a SLSNSW trial, SLS Sydney will now be conducting Spinal Management award courses at a club level (instead of Branch Facilitated Courses). Attached is the list of probationary spinal management trainers and assessors that attended the spinal management workshop last month.

Training and assessment process

Clubs can conduct spinal management programs using the trainers listed. Once a squad is ready for assessment the trainer should arrange for an assessor to assess the squad. If the assessor is still in their probation period the trainer should also arrange a facilitator to be present to supervise and sign off on the assessor and the assessment process.

Accreditation process

Trainers and assessors will be endorsed for the spinal trainer and/or assessor award in the following way:

1. Trainers – Successfully present a Spinal Management squad for assessment and be endorsed by the assessor/facilitator as competent.
2. Assessors – Successfully assess a Spinal Management squad under the observation of an accredited facilitator and be endorsed as competent by the facilitator.
3. Clubs are to create the Assessment Request in SurfGuard for the relevant Trainer and/or Assessor Spinal Management Award. The Form 14 needs to be printed off and presented at assessment and signed off by the appropriate person in point 1 & 2 above. The Form 14 is to be forwarded to Branch office for award processing after successful completion.

Resources and notification

Resources have been supplied at the Spinal Management Workshop. Clubs are responsible for copying learner workbooks.

The Branch Office should also be notified of all Spinal Assessment dates including details of the trainer, assessor and facilitator of these assessments. Please email awards@surflifesavingsydney.com.au with this information so dates can be included in future versions of the Branch Lifesaving & Education Calendar for auditing purposes.

Kind Regards

Peter Agnew
