**SUBJECT: Appointment of SLSS Community Education Project Manager**

Surf Life Saving Sydney has employed the services of a Community Education Project Manager from January 2013 to March 2013. The role will develop SLS Sydney's operational and strategic direction of its community education agenda.

I am pleased to announce that John Costigan has been appointed to this role. John has a lifelong passion and commitment to the Surf Life Saving movement having been involved in the movement continuously since the age of five.

Legally trained John was a senior member of the NSW Bar until his retirement from practice in June 2012. He has a strong link to youth development and has a large network within the School education system.

John is an active club member of North Bondi SLSC, a Masters Competitor and assistant Director of Youth Affairs at his Club. He has four children ranging in age from 14 to 21.

John's role will be to develop the operational plan and strategic direction for the Branch to consider later in the year. It is anticipated that the Branch will enter this area of education within a narrow target market in October 2013.

John's role will report to the Deputy President and the Community Education Working Committee.
