SUBJECT: Gear Inspection Dates 2014

Please be advised that the SLSS Annual Gear Inspection will be held this season over the weekend of the **Saturday 30th August 2014 (Waverley & Randwick) and Sunday 31st August (Sutherland & RNP) 2014.**

Clubs are reminded to ensure that their gear and equipment in Surfguard is updated in advance of the annual Gear Inspection. This is to include deleting any sold or discarded gear and adding any new gear which may have been purchased over the winter months. This should also be updated over the course of the year as equipment changes. Clubs Gear and Equipment in Surfguard is accessed via Organisational Management/Gear & Equipment/Manage Gear & Equipment. This task forms part of annual compliancy of clubs.

We appreciate the weekend is a little way off, however, we would request that Clubs give consideration to updating their records at your earliest convenience and set up a protocol, if not already in place to add/remove items as they are purchased or disposed.

Should you wish to discuss any aspect in relation to the Annual Gear Inspection, it is requested that you contact myself or our Director of Lifesaving Simon Torsellini Ph. 0414 375 508 or alternatively speak to your Lifesaving Area Supervisor. The Branch will be issuing further information via Circular to Clubs shortly in relation to Gear Inspection.
