SUBJECT: Skills Maintenance (Proficiencies) Reminder & Late Requests

We remind Clubs of SLSA Policy 5.4 that members who are not proficient as at 31 December are not permitted to patrol or compete in any SLSA competition until they have obtained the required proficiency.

Clubs who have members who have not completed the Skills Maintenance by 31/12/2014 and are wishing to patrol for the Club the attached flow chart summarises the process which Clubs need to follow.

No Skills Maintenance (proficiency) for patrol purpose can take place after 31st December until permission from the SLSS Branch DOL has been given. Clubs will be advised in writing via email of the decision for the late proficiency request and whether a Branch appointed Assessor or DOL will be attending to observe.

Please note – the flow chart procedure does not apply to members wishing to compete. Please refer to SLSA Policy 5.4 for this procedure which can only be approved by the State/Territory Director of Lifesaving.
