

Sydney Branch Late Proficiency Request Process Flowchart

Member applies to club, with late proficiency request, with reason and competitor status.

Club submits the members request (if endorsed by Club).

Club forwards request onto Branch with date and location of proposed late proficiency for approval from Branch Director of Life Saving (DoL). The DoL may appoint an Assessor or himself to attend and observe. E: lifesaving@surflifesavingsydney.com.au

Late proficiencies for competitors need the approval of SLSNSW State Director of Lifesaving. Refer to SLA Policy 5.4

Club receives accept/reject notification from Branch DoL

Branch generates a live list of members who are eligible for late proficiencies

Clubs to provide water safety, trainers and assessor in charge for the late proficiency

Note : Competitor late proficiencies if and once approved by SLSNSW Director of Lifesaving – require an approved appointed Assessor.
