

Surf Life Saving Sydney MARCH PAST OFFICIALS CLINIC

**Coordinated by Grant McMah (BOSS March Past Advisor)
29 November 2014**

Surf Life Saving Sydney encourages all Sydney Branch Officials to participate in a March Past Judging Clinic

The March Past Judging Clinic is open to all Sydney Branch Officials (all levels) who are keen on developing their skills in the area of March Past Judging. At the Officials Pre Season Briefing held in September 2014 it was recognised Sydney Branch presently has a severe shortage of sufficiently skilled Officials with expertise in this area. This clinic, along with a number of other initiatives, is now being developed to solve this problem. If you are available and keen to assist please strongly consider attending this clinic.

The clinic will involve a combination of theory and practical based training involving demonstrations by the North Bondi & Maroubra March Past Teams.

Tea, coffee and BBQ lunch will be provided.
