SUBJECT: SLSS Club Recognition Workshop : SLS Sydney Club of the Year & SLSS Champion Club of the Year

Surf Life Saving Sydney has undertaken a review of the club recognition structure in accordance with Strategic Initiative 2.5. The follow details the result of those changes and introduces a new award 'Surf Life Saving Sydney Club of the Year'.

The previous SLSS Champion Club of the Year award, which is an incentivised recognition system will be retained.

The SLSS Club of the Year aligns with the SLSNSW and SLSA awards and requires a nomination to be submitted. Circular 28/15-16 (5th February) details the criteria and application process. The winner will be recognised at the SLSS Awards of Excellence and forwarded to SLSNSW as SLSS's endorsed nomination for that award.

Nominations for this award close on 13th March.

The SLSS Champion Club of the Year award will continue to be awarded. This award provides recognition for clubs based upon a weighted scoring system. The system is designed to provide a 'level playing field' which rewards identified key club strategic goals. The input criteria for this award in 2015-16 are the same as last year. In accordance with the review, a revised point score matrix will be used next season 2016-17. No application is required for this award. The winner of is award will be recognised at the SLSS Awards of Excellence.

In order to assist clubs in understanding the two club recognition awards, Life Member Mr Gary Daly (Chair of the review/subject committee), will be holding an information session on all aspects of the awards, including advice on nominating for the SLSS Club of the Year award and the proposed changes to the SLSS Champion Club of the Year.

The Information session will be held at the Surf Life Saving Sydney administration and training facility (Branch office) 16 Murra Murra Place Little Bay on Tuesday 23rd February 2016 at 7.00 pm.

Please advise the SLSS office of your attendance admin@surflifesavingsydney.com.au by COB on Friday 19th February.
