As the NSW SLS State Board Riding Championships are now held in winter and prequalification is required to enter the event. The Sydney Branch Surf Sports Committee has amended the program for the Board Riding events for the 2016 Sydney Branch Championships. The primary reason behind the amendment is to encourage greater participation in board riding by providing avenues for competitors to compete in both board riding and other surf sports events at the Branch Championships.

As a result the '**nipper**' board riding championship events will be held at Maroubra on Saturday 13 February as part of the Open Branch Championships and the '**open**' board riding championships events will be held on Sunday 14 February as part of the 'Nipper' Branch Championships. See the tables below for further details
