SUBJECT: Silver Medallion Aquatic Rescue (SMAR) Award Course – April 2017

A Silver Medallion Aquatic Rescue course has been scheduled for April 2017. This course is recommended for current patrolling members who wish to develop their skills in search and rescue operations.

As numbers for this course are limited to a maximum of 24 candidates, places on the course will not be confirmed until after the closing date. If a higher number of people wish to register clubs will be given a quota of allocated places. It would be appreciated if Clubs would prioritise their members in order of preference for the course. Further, the times indicated on the proposed course dates may also vary pending final course numbers. These will be confirmed with successful candidates prior to course commencement.

This award course *requires physical requirements of a fitness level to meet the course outcomes*, which should to be considered by Clubs (Club Captains) when determining which candidates they will consider for registration of this course.

Course Description

The aim of the course is to provide participants with the skills and knowledge to participate in search and rescue operations. This course includes participating as a team member in aquatic searches, specialist rock rescue techniques, and a night search and rescue operation on land.

**When: Tuesday 4th April 2017 6.30 pm – 9.30pm (downstairs training room)
Thursday 6th April 2017 6.30 pm – 9.30pm (downstairs training room)
Saturday 8th April 2017 9.00 am – 5.30 pm (approx)**

As assessment is carried out throughout the course, participants must be able to attend all sessions.

Where: Coogee SLSC & beach
