Subject:	Resignation Victoria Raymond – Branch Office

After nearly six (6) years of dedicated service to Surf Life Saving Sydney, Victoria Raymond has decided to move on to other pastures.

Victoria's resignation will be effective on 17th April 2017.

I would like to take this opportunity thank Victoria for her commitment to what is often a demanding and thankless set of diverse duties.

Victoria's gentle and helpful approach will be missed by many of us.

Regards

Keith Grima OAM
Director of Administration
