Subject:	New Branch Championships program @ Maroubra and removal of Under 19's team events.

All Branch Open Championships events this year will be held at Maroubra SLSC on 11th February 2017 with the removal of **Under 19's team events.**

With the Surf Boat events added to the Coogee Carnival, Board Rescue, Tube and Belt Championships events that have been held at Coogee Carnival previously will be held at Maroubra.

Due to this change the new program will be extremely tight for time, with this in mind SLSS Surf Sports Committee have confirmed the removal of Under 19's team events.

All under 19's individual events will be still held at the Branch Championships.
