Subject:	Sydney Branch Qualifiers for the Ironperson events to held at the 2017 State Age Championships to conducted at Swansea Belmont in March 2017.

As per previous correspondence Sydney Branch is limited to 10 starting positions per age and gender for the Ironperson events at the 2017 State Age Surf Life Saving Championships. On this basis a selection process has been developed, and approved by the Board of Junior Development, where by the first 8 finishers in each of the Ironperson races at the 2017 Branch Age Championships automatically qualify for the State Championships.

The selection process also allows for the submissions of 'Wildcard' entries. 'Wildcard' entries are only limited to those athletes who cannot compete at the Branch Championships and there are only potentially 2 'Wildcard' positions available per age and gender. Each "Wildcard" application is then considered on its merits alongside the merits of the athletes who finished in positions 9 and 10 in their respective age groups at the Branch Championships - with the ultimate aim of the selection process to reflect the 2 athletes who, the Selectors believe, best deserve to fill the final 2 qualifying positions. Performance and results over the season may be taken into account by the Selectors.

As per the Surf Life Saving Sydney Selection Policy – the decision of the Selectors is final.

The following athletes have gained qualification to compete in the Ironperson events at the 2017 State Championships.

U11 Male

Mitchell Gavin	Bronte
Dasher Stewart	Bronte
Darcy McKeown	Elouera
Riley Gentle	Elouera
Jonah Chapman	Elouera
Toby Bacon	Elouera
