SUBJECT: Skills Maintenance & Assessment Date Planning Season 2017-2018

Sydney Branch is committed to communicating with Clubs and ensuring that there is flexibility in relation to the setting of dates for the annual skills maintenance (proficiency) as well as for new award Assessment dates.

As part of the SLSNSW Education Standard Operating Procedure, Clubs are required to negotiate any proficiency dates prior to publication so that all Clubs and Services, Assessors and Education Officers are aware of the dates of all Assessments and Skills Maintenance (proficiencies). This will also allow an opportunity for an appropriate Branch representative to audit the conduct of Skills Maintenance (proficiencies) and Assessments as required.

Information

So that all Clubs and Services can schedule these dates, Clubs and Services should discuss both proficiency and new award assessment dates with their Area Education Coordinator either directly or at the Area meeting. All dates for new awards assessments and proficiencies will then be included on the Branch Website calendars Lifesaving & Education for the season.

Clubs are to complete the proficiency date request form which is attached to this Circular and return it to the SLSS Branch office by COB Friday 25th August 2017 for a valid skills maintenance (proficiency) to be held / accepted. These forms can be emailed to the Branch office.
