

SURF LIFE SAVING SYDNEY

MEMORANDUM

To	Clubs, Surf Sports Coordinators, Junior Activities Coordinators, Coaches, Team Managers & Competitors
From	Wayne Druery, Director of Surf Sports
CC	BOM, SSC, JDC
Date	18 th December 2017
Pages	1
Subject	Scrutineering

Dear All,

All competitors are to be reminded for the 2018 NSW State Championships including Age, Masters and Open there will be **no Scrutineering Service** available to competitors. Scrutineering will only involve checks on all surf craft.

As a result it is imperative for all clubs and competitors to ensure their surf craft has been scrutineered prior to attending the NSW State Championships.

As published at the beginning of the 2017/18 Sydney Branch will be providing scrutineering services at the following surf carnivals prior to the 2018 State Championships:

1. Coogee Carnival - Coogee 3 February 2018
2. Branch Open Championships - Maroubra 10 February 2018
3. Branch Age Championships - Maroubra 11 February 2018.

As a general rule scrutineering will commence at approximately 7.30am at each of the above carnivals and will only operate while there is a demand. It is advisable that if you do require your surf craft to be scrutineered that you present your craft to the scrutineers as close to 7.30am as possible.

Please remember the current 'scrutineering stickers' are black and white. If your surf craft has been scrutineered over the past few years and it has a black and white sticker attached - it does not need to be scrutineered again.

Any inquiries please contact me via wjdruery@gmail.com

Many thanks,

Wayne Druery
Director of Surf Sports
