

Circular - Rescue of the Month 2019

Title: Rescue of the Month
Department: Coastal Safety
Audience: Clubs, Lifesaving Services, State & Territory centres, Australian Lifeguard Services
Summary: Lifesaving personnel national recognition program

Lifesavers and Lifeguards provide an essential service to communities throughout Australia. Many exceptional rescues and first aids performed each year are over and above normal duties and showcase excellence in lifesaving training, skills and procedures.

The SLSA board endorsed the implementation of a National Rescue of the Month commencing in December 2013. The program expands similar successful recognition programs currently being run by SLSNSW and SLSQ.

The 'Rescue of the Month' (ROTM) aims to recognise excellence in lifesaving and service delivery, measured against industry best practice and operating procedures. It is not to encourage unnecessary risk, neglect safety considerations or Standard Operating Procedures.

The program is designed to:

1. Increase the recognition and promotion of lifesavers, SLS clubs, Australian Lifeguard Service and lifesaving services after an incident; and
2. Increase the number of worthy Meritorious Awards.

State/Territory centres will award a ROTM. These monthly winners will automatically become nominated for the National ROTM. The National ROTM will be awarded to recipients at a quarterly ceremony at Parliament House in Canberra.

Note: The ROTM is a separate recognition program to the SLSA Meritorious Awards. Members, Clubs, lifesaving services and Australian Lifeguard Services may nominate to both programs separately using the relevant nomination form.

Nomination Process

Clubs, Australian Lifeguard Service and lifesaving services are to nominate using the ROTM nomination form available on the SLS website or member portal.

Clubs, Australian Lifeguard Service and lifesaving services are to send the completed nomination form to their Branch/Region or State/Territory centre.

All nominated rescues/incidents must be performed inside the designated time period i.e. a rescue/incident that occurs in November is only eligible for the November award etc. (see nomination schedule for due dates).

There are five (5) key areas assessed as part of the Judging Criteria:

Criteria	Weight
1. Application of Skills and Resource Utilisation	35%
2. Procedures Followed	25%
3. Environmental Conditions	20%
4. Potential Outcome	15%
5. Media Capture / Communication	5%

These criteria will be used to determine Branch, State/Territory and National Rescue of the Month winners
