<b>Subject</b>	2019-2022 Life Saving Agreements (LSA)

Dear Clubs,

As you would be aware, Season 18/19 was the final year of 3 Year Lifesaving Service Agreements for Clubs and Services, we now enter into negotiations for new Lifesaving Service Agreements. Following deliberation on a number of options at the SLSNSW Directors of Lifesaving Conference, SLSNSW Directors unanimously voted to retain Lifesaving Service Agreements in their current format. As such we now seek to work with clubs to prepare appropriate LSA's for next season.

The timeline for LSA negotiations this year is late and tight due to the SLSNSW DOL Conference being held later than usual, so we request the support of clubs to ensure that the negotiation process is as efficient as possible from here in.

**The target date for all Sydney LSA's to be finalised is Monday, 1 July 2019.**

During this time, the following will take place:

- Monday 3rd June: Existing LSA's and Sydney Branch proposed LSA's circulated by email to Club Captains for review and discussion.
- **Saturday 15th June: Club Captains and LSEC Executive meet at Venue to be Advised for End of Season Wrap Up & LSA Discussion Workshop**
- Monday 17th June: Cut off Date for proposed amendments to LSA's from Clubs.
- 17th June - 28th June: LSEC Executive meet with clubs requesting amendments to negotiate.
- Friday 28th June: All LSA's agreed and back to the office, signed by clubs.
- Monday 1st July: LSA's finalised, endorsed by SLS Sydney and sent to SLSNSW for endorsement.

Questions in relation to this process should be directed to the Lifesaving Manager in the first instance. We again thank you and your lifesavers for your hard work in the past season, and look forward to seeing you all on 15th June.

Regards

**Simon Torsellini**
