Subject: Rescue on Sunday 9th September.

Afternoon!

On Sunday 9th September 2018 I was attending a function at Wanda slsc upstairs.

At approximately 1pm I noticed 2 swimmers in distress off wanda tower.

Wanda beach was unpatrolled due to still being the off season so I knew there was no lifeguard on duty.

I noticed Mark Simpson downstairs promoting his company (Infront) with boards on hand.

I made him aware of the situation and he responded.

Within 1 minute he had rescued 1 male and a off duty lifeguard rescued his friend.

The thing that I noticed was Simo did not hesitate for a second... Those guy's are alive because of him and Carl Vanzino (Council lifeguard).

Kind regards Steve Winner.
