Reward and Recognition Framework

Purpose

The purpose of the Reward and Recognition framework is to provide a clear and sound understanding of Surf Life Saving Australia's (SLSA) Reward and Recognition processes.

This framework will be used to:

- increase the awareness of available recognition awards
- outline the requirements and criteria of awards
- clearly understand the application processes and due dates
- provide concise award information and presentation details
- direct members to nomination forms.

Award Summaries

The framework outlines each award and provides a detailed description of the award, the selection criteria, due dates, judging panel, presentation and nomination forms.

Nomination Forms

All nomination forms can be found within the SLSA Members Area Library under Document Library, Governance/Policies, section. Please send Nomination Forms to SLSA Head Office via email at officereception@slsa.asn.au.

As of February 2016, Service awards and National Medal forms can be submitted electronically through the Members Area, My Form page.

Nomination forms must contain the following to be considered:

- typed and accurate information as requested
- selection criteria addressed
- nomination form has been verified for accuracy by Club, Branch and State
- all supporting documents (Photo, Incident report, Surfguard print out etc.) are attached to the nomination form
- nomination form has been submitted by due date.

Award Dates

Each award has a specific due date to align with internal events and comply with external schedules. Due dates have been selected to ensure nominations are submitted and progressed through SLS Branch, state/territory centres and onto National before the cut off date.

- SLS branch and SLS state/territory centres will set their own due dates for their specific awards.
- Awards with on going due dates allow for nominations to be submitted any time throughout the year.

Submission

All nominations submitted to SLSA must be endorsed by club, SLS branch (NSW and QLD only) and state/territory centre. Personal details within the nomination form will be kept confidential.

SLSA may use the information from the nomination to promote the award and recognise the winners utilising various media platforms.

Endorsement

The endorsement process for all nominations requires club, branch (NSW and QLD only) and SLS state/territory officials to verify the accuracy of the information provided in the application. This document covers only those awards which are issued by SLSA. There are many other reward and recognition awards issued at a state level, and for further information on these you should contact your SLS state/territory centre. sls.com.au/state-centres

Presentation

SLSA annually present an *Awards of Excellence* function to recognise and reward members who have made an outstanding contribution to the delivery and development of surf lifesaving activities across nine areas.

The *Awards of Excellence* is inclusive to all members and the public to attend, as the night is about recognising achievements and acknowledging the members for their contribution and commitment to the communities in which they live. 2. Surf Lifesaving — Administration

This category recognises those involved in the purely administrative aspects of surf lifesaving. Examples are, but not limited to, club secretaries and treasurers. This category also includes surf sports officials.

Surf Life Saving Australia Honours

The SLSA Honours System recognises those individual members whose volunteering has rendered a distinguished, sustained and conspicuous service to SLSA over a period of at least 20 years.

Nomination Guidelines

The following nomination guidelines shall be followed for SLSA Honours Awards:

- Candidates are to be nominated using the appropriate form by the President or two (2) members of SLSA.
- Upon confirmation, nominations by the club are to be forwarded to SLSA.

Nominations are to be sent to SLSA.

Judging Process

- The appropriately authorised SLSA panel will review nominations for SLSA Honours.
- The Panel will provide a recommendation based on the information presented to the SLSA Board.
- Any member awarded an SLSA Honour will be recorded in the minutes of the relevant board meeting.
- Formal acknowledgement of recipients of SLSA Honours will be announced by the president.
- Unsuccessful Nominations for SLSA Honours may be re-nominated for consideration after two (2) years.

How to Nominate

- The nomination must establish and argue the case for the Honours Award envisioned by the proposer and seconder.
- The proposer is to summarise the nominee's personal achievements that have impacted on SLSA and/or Surf Lifesaving in Australia.
- It is important that the nomination is specific to the nature of the individual's achievements apart from that of a group.
- The nomination should provide substantive evidence to support the claims.
- Authoritative sources should be used to validate claims.

Note: A list of roles that an individual has held is insufficient in demonstrating the significance of that individual's service. SLSA may return a nomination to the proposer for further details if it feels that a lack of detail may be prejudicial for the nominee.

Interpretive Criteria for SLSA Honours Awards

The significance of service at branch and club levels needs to be taken into consideration, when it can be demonstrated that the distinguished nature of such service is found in the innovative and leading best practice provided to assist in the development of SLSA. 	<p>Key questions to be applied at this level include:</p> <ul style="list-style-type: none"> • What distinguishes this service and contribution beyond that of others? • What makes this person’s contribution unique amongst the SLSA membership? • What contribution(s) are directly attributable to this person (apart from others)? • How has this contribution advanced SLS in Australia? • Has the distinguished service spanned at least 20 years?
