Notes:

1. All events will be block racing. Clubs can expect that the higher the number of entries, the higher will likewise be the cuts. It is planned that where possible, water events will go straight to finals from heats.
2. Only one club representative permitted inside competition area per squad per gender [rep to be entered prior via the SEMS system].
3. Water safety also to be entered prior to carnival via SEMS system.
4. The event is subject to a COVID-19 safety plan. Competitors need to adhere to the mantra: "*Turn up, compete, leave*".
5. Cameron relays – one male and one female are to fill the positions of board paddler and swimmer. Due to COVID-19 need to separate beach and water, there will only be one runner, who is to complete both run legs and who can be of either gender.
6. Cameron and iron events will have a standard leg order of swim followed by board.
7. U14 competition to be suspended briefly at time tbc, Day 2 for Junior Life Saver of the Year presentation
8. Surf Teams will run in conjunction with surf race if possible. If not, will run as a separate event.
9. Except for members from the National parks District, no composite teams are permitted.
10. Inclusion events will commence in the beach "bubble". Officials will accompany them to an available location outside the water "bubble" to conduct their water events.
11. **Restriction of Events:**
 - Entry is permitted in beach or water disciplines, not both.
 - Soft sand runs restricted to entered beach competitors only.
 - Team events maximum 2 per club.
 - Mixed relays [two males:two females] are restricted to competitors who did not compete in the single gender relays.
 - Competitors will only be able to enter their own age group. Competing up an age for team events is not permitted.
12. **** Denotes State Qualification events**
13. **Inclusion Events**
 - Junior (7-13yrs) and Senior (14yrs+) events in swim, board, sprints and flags. Medals will be awarded for 1st, 2nd, 3rd [but the events will not contribute to the Club Point Score].
14. Eligibility requirements: refer to Carnival Bulletin

End Document.
