

MEMORANDUM

To	Selected Sydney Branch Bronze Medallion TAFs
From	Sydney Branch Education Manager
CC	Club CTOs, Director of Lifesaving
Date	14 November 2020
Pages	1
Subject	Opportunity for Accelerated First Aid Course – Sydney TAFs

To : Bronze Medallion and SRC Trainers, Assessors and Facilitators.

The new SRC and Bronze Medallion curriculum introduced this season has brought in new requirements for Trainers and Assessors. Currency is required in two First Aid Units of Competency HLTAID001 and HLTAID002 and it is also recommended that Assessors hold the HLTAID003 award. These are also required for TAF re-endorsement and some TAFs have experienced difficulty in updating these Units of Competency.

In light of this, Sydney Branch has negotiated with State for an assessment only version of Provide First Aid (HLTAID001,002 and 003) that will take place at the Branch Office on **Saturday 21st November**.

This is a 2.5 hour alternative to the normal one or two day course, as there will be no training and only assessment. TAFs must be confident in the currency of their First Aid and CPR skills to attend.

Three time slots are available to choose from :

9:00-11:30am, 12:30-3:00pm and 4:00pm to 6:30pm.

This course will be provided at no charge to TAFs who have previously held the award, but which has expired or will expire before April 2021. You will need to be confident in your First Aid knowledge in order to attend the course and receive the updated Units of Competency.

Please complete the Expression of Interest Form at :

https://forms.office.com/Pages/ResponsePage.aspx?id=umdn5EifIEG_97f1uBxfZtYa7waKVdtLmqAIJ6R1qKBUME1ONVRIU1ZaTUNQMzq4NDkzMEIzWjiYSy4u

Other TAFs who did not receive this memo directly may complete the form but will only be considered if there are sufficient spaces available and at the discretion of the Branch Education Manager.
