Subject	Position Vacant - Operational Area Education Coordinator Randwick

Dear All

SLSS wishes to advise that a position on the Lifesaving and Education Committee (LSEC) has become vacant with the standing down of Alejandro Monteverde due to personal reasons. We sincerely thank Alex for his commitment to this role over the past couple of seasons.

As this is an extremely busy time of the season for Education, we need to fill this role as a matter of urgency. Therefore, we open up EOIs from clubs for a suitable replacement for this role for the remainder of season 2020-21.

The position holder would be part of the LSEC and reports directly to Manager Education. Attendance at monthly LSEC meetings is required and contact with TAFs within Randwick and Club Chief Training Officers for the coordination of assessments is the primary role of the coordinator.

EOIs can be submitted to Branch office by Friday 11 December 2020 via the following form
<https://form.jotform.com/203378454173862>

Branch will consider all EOIs and a pre selection procedure will take place as per Branch By Laws for the position for endorsement by Branch Board of Management and then Branch Council.

Regards

Elissa Hancock
