

## MEMORANDUM

<b>To</b>	<b>Club Captains</b>
<b>From</b>	<b>Manager Lifesaving</b>
<b>CC</b>	<b>Club Presidents, Secretaries, BOM, LSEC</b>
<b>Date</b>	<b>Tuesday, 1 December 2020</b>
<b>Pages</b>	<b>1</b>
<b>Subject</b>	<b>Summer Operations peak Period Club Call Out Teams</b>

Dear Club Captains

Last year the Support Operations Group launched a Summer Operations Plan with increased resources distributed along the Sydney Branch Coastline over the Christmas School Holiday Period. This Stand-Up capability was increased over a Peak Period Operation covering the Christmas and New Year.

This year we would like to include the Club Call out Teams to participate in providing resources over the Peak Period Operation **25th December - 3rd January**. Specifically, we are considering 1 or preferably 2 IRBs with Driver and Crew to patrol unpatrolled beaches within Botany Bay. Ideally, we would have enough Club involvement that each club would only be required for 1 day each during the Peak Period Operation.

Could you please send back an EOI to the Branch office ASAP to register your club's interest in finding out more.

Register your Clubs interest via the following link <https://www.surveymonkey.com/r/6R2MF2H>

Kind Regards

**SCOTT MUIR**

**Manager Lifesaving SLSS**
