Subject: Competition Eligibility Policy (5.04) – 2020/21 Season Service Hour Requirements

Dear All,

On August 6th, 2020, the SLSNSW Board resolved to set the service hour requirements to be deemed eligible to compete during the 2020/21 season.

The SLSNSW Board took into consideration the disruption experienced during the 2019/20 season due to bushfire activity and COVID.

The SLSNSW Board has moved to endorse an amendment to the minimum service hours required for competition during the 2020/21 only.

Effective for the 2020/21 season only, members wishing to compete in Surf Sport events will be required to log a minimum of 15 hours for active members and 7 hours for active reserve members. This is instead of the usual 25 hours for active members and 12 hours for active reserve as outlined in Policy 5.04.

All other requirements as outlined in Policy 5.04 will remain current. A copy of the policy may be found [here](#).
