

MEMORANDUM

To	Club Captains
From	Acting Director of Lifesaving and Education
CC	BOM, LSEC, Club Secretaries, Club Presidents
Date	Monday, 9 August 2021
Pages	1
Subject	Callout Team Members

Dear All

Branch has received confirmation from SLSNSW as to which members of your Callout teams are eligible to use the Letter of Exemption when attending an Emergency Callout.

Any Member travelling outside his / her 10km bubble should be provided with a Letter of Exemption in case they are challenged. There is no need for them to QR Code in due to the emergency situation, but they should register on return to ensure appropriate tracking if required.

The only caveat on who should not be exempted would be any person travelling from a nominated LGA where they are prohibited from leaving that area ie. Blacktown, Campbelltown, Canterbury-Bankstown, Cumberland, Fairfield, Georges River, Liverpool, Parramatta or some suburbs of Penrith. refer to NSW Health website <https://www.health.nsw.gov.au/>

Could Clubs please ensure that any members of your Callout teams who reside in a Restricted LGA are temporarily stood down until further notice.

Thank you

Scott Muir

ACTING DIRECTOR OF LIFESAVING AND EDUCATION
