

MEMORANDUM

To	Club Captains
From	Acting Director of Lifesaving and Education
CC	Club Secretaries, SLSS BOM, LSEC
Date	Tuesday, 31 August 2021
Pages	1
Subject	Follow up Item from Captains zoom catch up 28/8

Dear Captains

Thank you again for your time online last Saturday 28/8 for the lifesaving catch up.

As discussed at this meeting, if a Club determines that more than 6 members are required to effectively patrol your beach, please provide SLSS Acting Director of Lifesaving and Education a COVID Patrol Operations Document for your club. This document will require to outline effective social distancing between the Patrol Tent and satellite patrols. Clubs that will require two (2) shifts per day will also need to lodge with Branch a document detailing their strategies to mitigate close contact of patrols at shift change-over.

Documents to be submitted to lifesaving@surflifesavingsydney.com.au by 11 September 2021.

Any queries, please contact director_lifesaving@surflifesavingsydney.com.au

Regards

Scott Muir
ACTING DIRECTOR OF LIFESAVING AND EDUCATION
