Acknowledgement of Country

I would like to acknowledge the Traditional Custodians of country throughout Australia and recognise their continuing connection to land, waters and culture.

I would also like to pay my respects to the Elders both past and present and extend that respect to other Aboriginal and Torres Strait Islanders who are present here today.

Covid Q&A Circular

**SURF LIFE SAVING
SYDNEY**

CIRCULAR

SUBJECT	ISSUE DATE	NUMBER
COVID Q&A Circular 2021/22 Season Start	Friday, 20 Aug 2021	06/21-22

To	Club Presidents, Club Captains, Club Secretaries, SLSS LSEC, SOG	
From	Peter Agnew ESM President	Scott Muir Acting Director – Lifesaving & Education
CC	BOM	

BACKGROUND

The Sydney region is a key area of concern for COVID transmission and infection. The Surf Life Saving Sydney (SLSS) boundaries are currently impacted by stringent Public Health Orders. The Delta strain of COVID acts differently to the strain experienced at the start of the 2020/21 season and different arrangements are required this season. The NSW Government strategy has moved from elimination of the virus to vaccination as a key mitigation strategy.

It is expected health order restrictions will remain until such time as vaccination levels reach government milestones. It is also expected that SLS activity will be restricted in September and October.

Education

Key Changes

The opportunity to discuss the below key changes in more detail will be available to all Trainers, Assessors, Facilitators (TAFs) and Chief Training Officers (CTOs) at the upcoming branch pre-season meetings. They will also be presented in the online pre-season module which will be released in early October. Completion of the online module is a mandatory requirement for re-endorsement.

Key changes to be communicated include:

- A new release of the national Health Training Package (HLT) following industry feedback has resulted in new unit of competency codes aligning to SLSS awards. The **Surf Rescue Certificate, Resuscitation, First Aid and ART course resources have been updated** accordingly. TAFs are required to update their HLT units of competency to remain current.
- Patrol captains are required to complete the online **'Supplementary Learning for Patrol Captains'** module through the Members Area before 31st December 2021 in order to continue to perform the duties of a patrol captain. Those who have already completed this online module have already met this requirement.
- Updates have been made to the **Surf Rescue Certificate and Bronze Medallion course resources** following member feedback and industry changes.
- The **Radio Operator Certificate course resources** were updated in April 2021 to align with the new SRC and Bronze Medallion resources.
- A new **online Bronze Medallion induction program** will be made available for probationary SRC and BM Trainers to complete before delivering their first SRC or BM course. The program replicates the induction sessions delivered to current TAFs last season and **will be a requirement for new SRC and BM TAFs** moving forward.
- TAF uniforms can now be ordered through the SLSSA Members Area Store.** This includes long and short sleeved shirts for trainers and assessors. Orders for facilitator shirts can be made through the SLSNSW Education Team.

Relevant Links

SLSNSW Education SOPs - to access information and procedures about becoming a trainer or assessor, delivering training and assessment and the processing and issuance of awards, qualifications, and licences.

SLS Members Area - to access current SLS course resources in the Document Library (change Organisation filter to 'SLSNSW') as well as access the SLS Member Store and SLS eLearning platform.

SLSS Skills Maintenance Circular - to access the SLSSA Maintenance Circular for the 2021/22 Patrol Season.

Training Officer Certificate Course - to access the Training Officer Certificate course schedule and FAQs.

Chief Training Officer Induction - for new Chief Training Officers to gain insight into what to expect in their new role and what support is available to them.

Chief Training Officer Facebook Group - for Chief Training Officers to network, communicate and collaborate with other Chief Training Officers from across SLSNSW.

Brand Centre - for customisable recruitment, promotion and education resources. Professionally designed resources can be customised with club logos, images and contact details which can be downloaded, printed at home or printed professionally.

Supplementary Learning for Patrol Captains - to access the online session which all patrol captains need to complete prior to 31st December 2021.

Key Tasks

- Assist TAFs to ensure currency in the latest HLT/aid units of competency - speak to your Director of Education if you are unsure of requirements.
- Ensure TAFs and patrolling members complete skills maintenance before 31/12/21.
- Members with TAF awards expiring 31/12/21 must complete the SLSNSW online TAF pre-season module, then complete the online re-endorsement form (both available from October 2021).
- Work with Branch Directors of Education to ensure that appropriate supervision is in place for all assessments and that supervisory activities are recorded through the Record of Supervision Form.
- Add the appropriate 'Endorsed Delegate' award to endorsed delegates for skills maintenance in SurfGuard.
- Ensure all TAFs have the appropriate SLSNSW TAF uniforms available from the SLS Members Area Online Store.
- Work with your Directors of Lifesaving to ensure that patrol captains have completed the Supplementary Learning for patrol captains before 31/12/21.

Key Dates

- SLSNSW Awards of Excellence** - Saturday 28 August 2021
- Training Officer Certificate course** - 18 October-14 November 2021 (additional courses to be scheduled)
