

# OFFICIALS

## GET INVOLVED TODAY

Dedicated to supporting Sport Competition within Lifesaving.

### **Interested in becoming a Sydney Branch Official?**

Surf Lifesaving Sydney believes good Officials make a well-run, well-supported surf carnival. To continue to develop Sydney's dedicated band of members who officiate at a range of different sport competitions, there are a range of Officials' courses run within Sydney. Officials are those members responsible for the conduct of sports events within Surf Life Saving. There are a range of different roles undertaken by Officials including, referees, starters, judges, recorders and marshals across all of the sport disciplines offered by Surf Life Saving.

To become an Official, you are required to complete a Competition Officials course that is conducted by Surf Life Saving. In order to be Officials you must be a financial member of a Surf Life Saving Club and minimum of 16 Years of age. All clubs MUST supply a certain number of Officials per carnival before competitor's can compete. It's fun, social and the best seat in the house at all carnivals. Contact your club or Branch office today for more information.

**NEXT COURSE: Tuesday, 24<sup>th</sup> November 2015 @ Wanda SLSC**  
**Contact: Branch Office or your club for details**
