Subject:	Randwick Lifesaving Meeting February 2016

Dear Randwick District Club Captains

Following the Branch Lifesaving & Education Committee meeting held Tuesday 9th February 2016, we will be holding an area lifesaving meeting to update your clubs on some important lifesaving points for the remainder of the season.

This meeting will be held at 6.30 pm Monday 22nd February at Coogee SLSC, in the Ocean Room.

Club Captains are invited to speak and report on the status of their clubs lifesaving area and discuss any challenges your clubs may be facing with Sydney Branch.

This meeting is open to all Randwick lifesaving teams, so please ensure your Clubs are well represented - ie your Vice Captain and any Patrol Captains are welcome to attend.

RSVP your attendance to the Branch Office by COB 17/2/2016
