Subject:	Bate Bay Lifesaving Meeting March 2016

Dear Bate Bay Area Club Captains

Following the Branch February Lifesaving & Education Committee meeting, we will be holding an area lifesaving meeting to update your clubs on some important lifesaving points for the remainder of the season.

This meeting will be held at Saturday 19th March 9am to 10.30 am at Elouera SLSC.

Club Captains are invited to speak and report on the status of their clubs lifesaving area and discuss any challenges your clubs may be facing with Sydney Branch.

This meeting is open to all Bate Bay lifesaving teams, so please ensure your Clubs are well represented - ie your Vice Captain and any Patrol Captains are welcome to attend.

RSVP your attendance to the Branch Office by COB 17/3/2016
