PRESIDENTS REPORT

The 2015/2016 season has been extremely busy for Surf Life Saving Sydney. In my second year as President, I have been very fortunate to have the same board supporting me this season. The main focus this season has been to ensure we were relevant to the 15 clubs in the branch. This meant we were continually striving to deliver value and provide leadership and guidance to all clubs.

The year in review, with our focus on innovation and suitability for the future, enabled us to deliver a number of activities which were aligned with the overall strategic plan.

The key areas of focus this past season have been on strategy and innovation while continuing to improve the operational aspects of the organisation. Under the guidance of Peter Agnew we have been in a position to ensure we have a strategic focus while delivering against our core operational requirements. During this process we continued to engage with all the clubs ensuring we were focused in the appropriate areas. Peter also lead the Drone Technology review within the Branch engaging with key club individuals, SLSNSW and SLSA.

I have been very encouraged by the amount of clubs which have taken up the SLSNSW quality clubs program. We currently have 9 out of the 15 clubs which have either obtained the bronze level or are on their way to achieving this. This program is designed to ensure all clubs have the appropriate plans in place to remain sustainable for the future and hope the focus continues.

The financial health and compliance of the organisation has been lead by John De Cean. This area has also been busy with a restructure of the operating accounts to ensure they reflect our operating model. This enabled the finance team and office staff

to produce a new set of specifically designed reports allowing the directors to manage their business more efficiently.

The structure of the organisation had not been reviewed for many many years which meant that the constitution and by-laws were not reflecting the operating model of the organisation. The work that was lead and undertaken by Keith Grima, involving the provision of a new constitution and by-laws was fundamental to the success of the changes being implemented. With the full support of the clubs within the Branch, this is reflective of the effort and tenacity of Keith.

While we have made some significant changes to the organisation we will continue to review our operating model. The main focus was to restructure one of the core aspects of our organisation - the Life Saving and Education teams - under the direction of Simon Torsellini. For many years Life Saving and Education has been operating on a false economy with many positions remaining vacant, thus leaving the workload resting on the shoulders of key members of the board. I am pleased to report this work has now been completed, under some very aggressive timelines, enabling us to put the new structure in the coming season.

The Surf Sports team lead by Wayne Druery has also provided some great opportunities supported by the clubs. The main focus was to continually challenge the way we do things today. The team have continued to deliver on the objectives set by bringing the Nutri-Grain to Sydney Branch which was successfully run at North Cronulla. They also held a specifically focused carnival for beach events only at Maroubra, allowing all clubs to participate in the event giving the competitors an opportunity to train and compete in a friendly and structured environment.

The Surf Sports team have also continued to provide an opportunity for clubs across the Branch to compete in a friendly environment between the State and Australian championships by providing a number of water events allowing the competitors to enhance their skills against other clubs in a friendly competitive event.

This season also saw a successful Branch Championships and Junior Championships held at Maroubra with a full schedule being completed on both days, which is the first time in many years. I would like to thank David Simpson (Maroubra President) for the management of the two days and for continuing to support the event. The team at Maroubra ensure the event is run without any issues and continues to deliver.

Sydney Branch also took a team to the SLSNSW inter branch championships held at Cape Hawke SLSC. Unfortunately we were unable to knock the Sydney Northern beaches off top position and ended up in second place again.

The newly formed Member Services portfolio, which was put in place this season and lead by Trent Thomas, has enabled us to ensure compliance across all aspects of member services providing key reporting and data analytics to allow our clubs to focus on the areas highlighted. Trent and his team have also been working with SLSNSW ensuring that the data and analysis provided are reliable and are of real use to the clubs.

The Member Services team have also been working on a strategy to engage more youth and females into key positions within the organisation while ensuring we have a succession plan in place to support the future direction of the organisation.

The Junior Development team lead by Doug Hawkins continued to manage juniors and deliver the development camps. These camps ensure the juniors of our organisation are provided with the necessary skills to be future leaders of the organisation. Doug and his team also continued to role out the junior scenario training across the Branch, which will be supported by kits at each club to be utilised in the event of a missing person.

Surf Life Saving Sydney was extremely well represented at the SLSNSW 2014/2015 Awards of Excellence (AOE) with a nomination in 99% of the categories and winning a number of awards such as Assessor of the Year - Craig Howie, Trainer of the Year - Beck Mister, Young Athlete of the Year - Lizzie Welborn, Young Lifesaver of the Year - Julien Vincent, Rescue of the Year - Richard Garnsey, and Surf Lifesaver of the Year - Rosie Taliano. These lifesavers also represented at the SLSA Awards of Excellence.

The 2015/2016 Surf Life Saving AOE was a great success and a tribute to the work the BOM and office staff put into the evening. The evening saw recognition of the best lifesavers and competitors in our Branch. Congratulations to Lifesaver of the Year - Kane Hughes, Volunteer of the Year - Paul Hotton, Branch Member of the Year - Joel Wiseman, Official of the Year - Wayne Druery, Athlete of the Year - Lizzie Welborn, Young Athlete of the Year (U/19) - Carla Papac, Coach of the Year - Jock Campbell, Assessor of the Year - Ben McCormack, Trainer of the Year - Kerrie Hammell, Community Education Program of the Year - Understanding 'ICE' Addiction, Masters Athlete of the Year - Jimmy Walker, Team of the Year - SLSS Duty Officers, Facilitator of the Year - Gary Daly, Initiative of the Year - MRP, Administrator of the Year - Alison Vuletic, Young Lifesaver of the Year (U19) - Caitriona O'Leary, and our Rescue of the Month State Winners - South Maroubra & North Bondi. We wish all the winners well at the up and coming SLSNSW AOE.

In summary the key achievements delivered by Surf Life Saving Sydney are listed below:

- Driving the drone technology for use in Surf Life Saving at all levels of the organisation
- Delivering new competitive events in Sydney Branch
- Finalising the review and rewriting the Constitution and By-Laws
- Restructuring the Life Saving and Education committees
- Delivery of the SLSS Member Recognition Application
- Clubs Gear Inspection engagement sessions
- Quality Club Program with 9 of the 15 clubs engaged
- Formation of the Member Services committee
- Rock Fishing Application with a release date in the commencement of the new season

I would like to take this opportunity to reconfirm that NO LIVES LOST between the flags in Sydney Branch and in closing I sincerely thank the club presidents for the continued support you have provided to me and the Board of Management.

To the Board of Management - Peter Agnew Deputy President, Keith Grima Director of Administration, John DeCean Director of Finance, Simon Torsellini Director of Life Saving and Education, Wayne Druery Director of Surf Sports, Trent Thomas Director of Member Services and Doug Hawkins Director of Juniors - I wish to extend my sincere thanks for your support and dedication to our Branch. To the backbone of the organisation - Linda Perrin and Victoria Raymond - thank you for the unrelenting support you provide to all the clubs and BOM. We are extremely fortunate to have you on the team. Thank You.

George Shales

SPONSORS

Surf Life Saving Sydney is proud to acknowledge our sponsors' contribution, both financially and materially. Without sponsorship - corporate, government and individual - our task of providing viable Life Saving Services to the community of Sydney would be difficult. It is appreciated, that here in our Annual Report, the major public document of Surf Life Saving Sydney; we recognise and thank our individual sponsors for their support - support that is given without restriction or interference with our objectives and achievements.

DIRECTOR OF MEMBER SERVICES

Surf Life Saving Sydney embarked on a new journey this year with the creation of a new director position and committee focused around Member Services. In the past there was no direct structure that linked to this focus area. Under the new structure I had the privilege of working with the branch, clubs and our members to review, implement and provide solutions around club and member development.

This year has seen some great initiatives and results across the branch. This is particularly true in relation to our member development opportunities as both participants and facilitators at state and national levels. This represents our strong membership base and our future leaders of the organisation. I congratulate them on their efforts and thank them for their wonderful job in representing Surf Life Saving Sydney.

It was great to see Cronulla and North Cronulla both be awarded Bronze Quality Club accreditation to make them the first surf clubs within Sydney Branch to achieve this recognition. It is also very promising to see so many other clubs registered and working toward the same accreditation. This is a good program which allows clubs to measure their current governance structure and club procedures against compliance and best practice standards. I look forward to all club's achieving the bronze accreditation over the next season and the race to see which club will be the first to Silver and Gold.

There has also been some progress in a number of areas including but not limited to; club and branch engagement with a new program introduced to strengthen ties and provide support, more enlightenment around the data and statistics that guide clubs to make decisions and identify areas of focus and a stronger look at succession planning across the branch.

The Member Services Committee looks forward to providing more initiatives next year with work already under way in a number of areas including defining a social media strategy, re-looking at recognition through a formal review, diving into retention specifically targeted at our cadet transition area and providing targeted development opportunities for our members,

initially focussing on our young leaders and female leaders and growing to encompass more members.

The focus from Surf Life Saving Sydney in our Member Services area is to provide clubs and members with the tools, resources and development to be able to work in their most effective and sustainable way. I appreciate all the support the Member Services area has received from clubs and the branch and look forward to being able to provide higher levels of support and development that will keep Surf Life Saving Sydney as the peak body in innovation, sustainability and deployment of high quality services at a state and national level. The committee looks forward to working with our membership in the coming season and encourages clubs to reach out if any support is required.

Trent Thomas
Director of Member Services

OUR STRATEGIC FOCUS

This is the second year that the Strategic Development Plan has driven the work of the Surf Life Saving Sydney Board of Management and associated committees. The plan is aligned to the SLSNSW and SLSA Strategic Direction documents.

The plan has four areas of strategic intent and nine areas of strategic direction.

1. Saving Lives 24/7
2. Healthy Clubs
3. Government Recognition
4. Financial Security
5. Effective Branch Movement
6. Involving all Australians
7. Learning for Life
8. Active for Life
9. Innovating SLS

The focus of our Surf Life Saving Strategy is to engage our Surf Life Saving Clubs and to align our activities and actions with the broader organisational strategy while developing local and target actions to reduce the rate of downing within the Sydney region. We have achieved several key priorities within the plan. The Branch has driven innovative practices, undertaken substantial review of its governance framework and been proactive in analysing its data, succession planning and reward and recognition strategies.

Our core priorities in the 2015/16 Season has been to:

Strategic Priority	Key Season 2014/15 Focus	2014/15 Activity
1. Saving Lives 24/7	<ul style="list-style-type: none"> Data Dashboard Review of service agreements Blackspot drowning prevention Establish links with emergency management groups 	<ul style="list-style-type: none"> Mid and final year data presentations provided Several blackspot projects undertaken including Rock Fishing Program Ongoing meeting with EM groups
2. Healthy Clubs	<ul style="list-style-type: none"> Develop membership data dashboard Undertake recognition review and develop mature framework Implementation of Club Quality Program 	<ul style="list-style-type: none"> Data workshop conducted at Council Meeting New AOE structure developed 60% of clubs underway with Quality Club Program
3. Government Recognition	<ul style="list-style-type: none"> Monitor implication of local government mergers Political strategy 	<ul style="list-style-type: none"> Ongoing monitoring of local government mergers Ongoing liaison with each level of government
4. Financial Security	<ul style="list-style-type: none"> Ongoing investment strategy Financial governance to be monitored 	<ul style="list-style-type: none"> Several meetings of the Finance and Audit Committee conducted
5. Effective Branch Movement	<ul style="list-style-type: none"> Communications plan and social media plan to be developed Undertake By-law review Manage strategic focus and practice best practice governance 	<ul style="list-style-type: none"> Succession plan developed New By-Laws and Constitution adopted Governance questionnaire undertaken
6. Involving all Australian	<ul style="list-style-type: none"> Clarity on state and national strategy and support resources 	<ul style="list-style-type: none"> Alignment of Branch Programs with SLSNSW and SLSA programs
7. Learning for Life	<ul style="list-style-type: none"> Training needs analysis – define our key target programs for 2015/16 	<ul style="list-style-type: none"> Monitoring of key award statistical data provided
8. Active for Life	<ul style="list-style-type: none"> Developing Participation Strategies – define participation numbers and rates Link community to SLS events Meet benchmarks for publication of results 	<ul style="list-style-type: none"> Participation in Surf Sports Review Further enhancement of carnival program Results provided as per timeline
9. Innovating SLS	<ul style="list-style-type: none"> Sharing and problem solving strategy Undertake two innovative projects (Drone and Rock Fishing) Promote sharing of resources 	<ul style="list-style-type: none"> Involvement at a State and National level to assist with Drone technology Rock Fishing App developed

Peter Agnew
Deputy President

LIFESAVER AND VOLUNTEER OF THE YEAR

Surf Life Saving Sydney Lifesaver of the Year

Nominees: Mathew Harper - Maroubra SLSC, Rosie Taliano - North Bondi SLSC, Jackson Towns - Elouera SLSC, Kane Hughes - North Cronulla SLSC, Cameron Callaghan - Coogee SLSC

Winner : Kane Hughes, North Cronulla SLSC

Kane is a key member of Nth Cronulla SLSC who this season completed his 12th year of active service with no intention of slowing down with a career of over 1400 volunteer patrol hours to the community. As the current Club Vice Captain and a Patrol Captain, Kane has mentored young SRC and BM holders, encouraging these members to gain higher awards and develop into future patrol captains and leaders. Kane's friendly and outgoing personality will attribute to success in this area.

Kane's involvement spreads over all facets of surf lifesaving through Education, Lifesaving, Support Services and Surf Sports, as an endorsed Trainer and Assessor, Patrol Captain, RWC Operator, Duty officer and keen competitor in Surfboat rowing and IRB.

Major achievements this season were development of club patrol teams and roster to foster team building and member retention and for ensuring the flexibility to cater for all club members with differing commitments outside SLS.

Surf Life Saving Sydney Volunteer of the Year

Nominees: Paul Hotton - North Bondi SLSC, Darren Galea - Elouera SLSC, James Caterson - Maroubra SLSC

Winner : Paul Hotton, North Bondi SLSC

Paul Hotton's enthusiasm and passion shines through in his patrolling, his role in education and training, his commitment to improving patroller retention, his fundraising and his selfless and going dedication to first aid support. Paul has continued to encourage and motivate fellow lifesavers to further develop their skills across various aspects of lifesaving, volunteering and giving back to the community.

This season Paul's significant contributions to both education and training have extended beyond the club to include the Waverley area and Sydney Branch in the roles of Chief Training officer North Bondi, Waverley Area Education Coordinator and an endorsed Trainer and Assessor.

Paul volunteered over 250 hours this season logged through the Sydney Branch Member Recognition Program app, along with 55.5 patrol hours up to March. He carried out 22 bronze medallion/surf rescue certificate assessment across the Waverley area which is a credit to Paul.

LIFESAVING AND EDUCATION

DIRECTOR OF LIFESAVING AND EDUCATION

It was great to see that even though our Patrols were extremely busy on the beach this season, we still continued to maintain our high level of lifesaving standards. This was echoed by our area Lifesaving Supervisors throughout the season, with 3 clubs in the Branch achieving 100% Patrol Efficiency results in all inspections.

The Support Operation team had one of their busiest seasons ever, with the number of call outs (137) increasing by 27%. The RWC team performed 160 rescues, which was 127 more than last season, while our Duty officers did over 250 hours attending incidents throughout the Branch.

Gathering our patrol statistical information is an extremely important process while we are on the beach. This season we saw an improvement on the previous season after we clearly defined the definitions of a rescue, prevention and first aid in our start of season Patrol Captains and CTO's meeting. Next season SLNSW will be changing the signing process, to encourage the use of the Patrol Ops App, which will further improve the collection of this data on the beach.

On the Education front, the overall award numbers decreased slightly from the previous season, but the number of members completing their proficiency in core awards increased, which is a great reflection on all our clubs that we have been able to retain many of our members from the previous season.

The number of new bronze awards decreased by only one this season, but we were had 3% increase in Bronze proficiency numbers across the Branch. In an area where many clubs have struggled in the past, off the back of our hard work the last 2 seasons we saw new IRB Drivers awards increase again in the Branch, as well as our proficiency numbers for IRB Drivers and Crew. A fantastic effort by our IRB Trainers and Assessors.

The Gear Stewards meeting held at the beginning of the season was a great success in helping clubs and new gear stewards prepare for gear inspection. This was evident in the quality of equipment presented on the day, as there were very few re-inspects and discards. Special thanks to Glen Clarke who assisted in creating all the documentation, and presenting to clubs on the night, and our team of Gear Inspectors over the 2 days.

Traditionally we have done a fantastic job recognising our members for their hours on the beach patrolling, but outside of that, we have struggled to identify how many hours members were doing for other Club or Branch activities which are just as important. Some of these being training, assessing, duty officer call out hours, administration, attending meetings etc. This season we released a new App, MRP (Member Recognition Program), which allows our members to enter the time they spend on various activities on their mobile phone.

Not only does it help clubs recognise these members at their presentation night, but it will help us identify burn out, and understand more about how our resources are being utilised. The App has now expanded to include SLSS news, Calendars, RWC Rosters, and Sydney branch information. The App can be downloaded on both iTunes and Google Play stores, search for "SLSS".

Congratulations to our Rescue of the Month (ROM) winners. This season we had 2 state winners that went on to win National Awards.

The Sydney Branch Lifesaving, Education and Support Operations teams have again worked extremely hard this season maintaining the highest level of communication and engagement with the clubs. This has provided the teams with some valuable insights, highlighting areas that are working well and others that may need improvement, innovation and change. Sydney Branch has been driving many of the changes at a State level, which has resulted in Branch representatives being invited to participate in the SLNSW SOP's, Patrol Operations Manual, Patrol Efficiency and Support Operations reviews by SLNSW.

A review of the Lifesaving and Education Committee structure took place during the season, which involved members from all operational areas, resulting in the committee being restructured. The new structure will allow us to more effectively manage Lifesaving and Education in the Branch, while maintaining and improving Lifesaving and Education standards into the future.

There are a number of people who need to be recognised and thanked for their contribution to maintaining our lifesaving operations and standards, firstly to Linda Perrin and Victoria Raymond from Branch office who organise and process lifesaving operations, without them the Branch would be difficult to operate.

To our lifesaving supervisors lead by the Deputy Director of Lifesaving Joel Wiseman, Peter Quartly (Waverley), Matthew Spooner (Randwick), Michael Byrne (Cronulla/Sutherland) and Mark Wood (Royal National Park) and their assistants, thank you for your efforts working with Clubs to ensure standards were being maintained and guiding clubs through positive engagement to improve their lifesaving patrols.

Marissa Saunders and her educational team of Facilitators, Assessors and Training officers for all their hard work in keeping lifesaving education at such a professional level. Also the great work the area supervisors did in the areas throughout the season, Paul Hotton (Waverley), Beck Mister (Randwick), and Steve Urquhart (Cronulla/Sutherland).

Support Operations continued to thrive, special thanks to Matthew Evans and his team of Rescue Coordinators, Duty officers, SurfCom operators, RWC operators and off Shore Rescue Boat members. The team has worked tirelessly throughout the season, often in the background, to provide support and guidance to our patrol teams, including responding to hundreds of incidents within the branch outside of normal patrol hours. At the end of this season, the group will commence one of its largest RWC training squads over the winter period. I look forward to working with Joel Wiseman and the team next season, and on how we can improve our 24 x 7 lifesaving coverage in the branch in the upcoming season.

Simon Torsellini
Director of Lifesaving and Education

SUPPORT OPERATIONS MANAGER

Continuing on the success of the previous season I am proud of what has been delivered by the Support Operations Team in the 2015/16 season. This group of dedicated Surf Lifesavers not only fulfil Support Operations patrols in addition to their club obligations but also often are called upon outside of patrol hours to provide assistance to our Emergency Service partners, in often challenging circumstances.

Sydney's **Duty officer & Rescue Coordinator Team** continued to deliver a first class service to our patrolling teams providing invaluable assistance at major incidents and advice whenever patrol teams requested. The ability of this team to remain professional in all circumstances is a testament to the dedication of these volunteers. The response by this Team also extends to a 24/7 capability where the Team is called upon in all types of weather and hours to respond to requests for assistance. Without fuss, any one of the Team responds without the slightest complaint to get the job done. A credit to each and every one of the Team, considering this too is a volunteer role.

This season also witnessed a significant increase in 13SURF tasks from NSW Police. The number of requests for Sydney Branch has increased to in excess of 130. The majority of these were for tasks outside of patrol hours and/or patrolled locations. The ability for the Sydney Support Operations Team to respond to these requests has established a great reputation and rapport with our Emergency Service partners, who are always grateful when they see the familiar red and yellow turn up at all hours and locations.

Sydney's RWC Team continued to service the Branch via the 2 RWCs based at Maroubra and Gunnamatta Bay. Despite the fact that the RWCs spent a considerable time offline due to unforeseen issues, the Team had an increase in both actual patrol hours and rescues performed. The Team responded to numerous rescues and searches outside of patrolled locations proving invaluable in the successful rescue of rock fisherman and boaters. Clubs also took advantage of the RWCs during the season with an increase in the number of requests to support patrols in mass rescues and preventative actions.

Whilst training of new **RWC Team** members this season has been difficult with the craft being unavailable it is exciting to know the Branch will shortly take delivery of two new RWCs which will enable a number of squads to be trained in the off season and bolster the numbers of this important Support Operations function.

Surf Rescue 30 entered a year of rebuilding with a number of successful members gaining their crew, driver or skipper award during the season. The continuing investment in training will ensure this Group is able to fulfil patrol obligations and an after hour response capability. The support provided to clubs and the response outside of patrol hours is well received and being able to continue this is core to the Sydney Support Operations plan.

Team of the Year	Surf Lifesaving Sydney Duty officer Team
Support Operations Member of the Year	Jackson Towns
RWC Operator of the Year	Javier Garcia
SR30 Member of the Year	Jedd Goggin

The Support Operations Group had a number of award recipients at the Sydney Branch Awards of Excellence:

It is exciting times for Support Operations with SLSNSW providing a focus on how to create a sustainable operation and the introduction of drone technology.

SLS Sydney will also be undertaking a review into Support Operations to ensure we have assets in the right place; are able to attract, retain and recognise the valuable contribution of members; realign our response to SLS core activities; and also how we can attract and retain corporate sponsorship to assist in delivering services in the State's busiest Branch and region.

On a personal note, I would like to take this opportunity to say how extremely proud I am of the achievements of the Support Operations Group and wish to thank every member for their dedication and contribution to date. After two years as Support Operations Manager, I am excited to be moving into the role as Lifesaving Manager and broadening my experience with this great Branch.

Matthew Evans
Support Operations Manager

EDUCATION MANAGER

2015-2016 was another impressive season for Education in Sydney Branch. Clubs have worked incredibly hard to achieve the number of awards which are displayed in the awards chart. This could not have happened without the hard work of our Trainers, Assessors, Facilitators, Area Education Supervisors and Award Coordinators. The number of new Bronze Medallion/Certificate II In Public Safety awards has remained relatively stable from 698 in the 2014-2015 season to 697 this season.

TAF Re-endorsement was undertaken using online system as per SOPS, and we finished the season with 106 endorsed Assessors and 213 endorsed Trainers and new SMBBM and Trainers Award Facilitators.

The image of our Assessors was a high priority this season ensuring that all endorsed assessor were correctly attired with issued shorts, shirt, rain jacket, cap and name badge.

In collaboration with Surf Life Saving New South Wales, assessment standards were monitored and sharing assessors across other NSW branches and areas within our Branch was also undertaken, giving Assessors the opportunity to broaden their vision outside of their particular Districts.

I would like to thank our Area Education Supervisors for this season and also welcome them back for next season. Our Area Education Supervisors have contributed an enormous amount of personal time and effort in ensuring each Club and candidate received the necessary support for education activities.

The Area Education Supervisors are named as follows:

- Waverley Paul Hotton,
- Randwick Beck Mister,
- Cronulla/Sutherland Stephen Urquhart,

Congratulations to the following members who were recognised at the Branch Awards of Excellence:

- Ben McCormack of North Bondi SLSC, Assessor of the Year
- Kerrie Hammell of Cronulla SLSC, Training Officer of the Year
- Gary Daly of Burning Palms SLSC, Facilitator of the Year

Many thanks and recognition must be given to Linda Perrin as without Linda's assistance and positive attitude towards her work, education would not be what is today. Administration of paperwork and award processing was once again met and maintained. Next season, the Branch office will be issuing regular reminders to all clubs to ensure that paperwork was submitted to Branch within 7 days of assessment completion as per SOPS.

Further recognition must be given to Steve Allan, Academy Support Officer for SLSNSW for his ongoing support to the Branch and Clubs. Steve has been a great support to the Branch to meet our RTO requirements and general education and lifesaving issues that arise throughout the season including Recognition of Prior Learning applications, Trainer, Assessor and Facilitator upgrades and re-endorsements. Steve also assisted in keeping the Branch well informed of any changes which are required to be rolled out.

Educheck was introduced by SLSNSW as a continuous improvement tool for our Clubs to enhance and or retain membership. Thirteen of the fifteen Clubs completed the required Educheck this season which was a great result and the findings from these will be used to work with the clubs for the coming season.

Once again, congratulations and well done to everyone involved in education throughout Surf Life Saving Sydney, for another season in education.

Marissa Saunders
Education Manager

DIRECTOR OF JUNIOR DEVELOPMENT

It would seem that these new seasons of Nipper's come around very quickly, and much the same this season.

The good news for the SLS Sydney JDC team for this season, was the re-signing of our Sponsor, Sydney Airport, for another three years. This continued support is very impressive, and to have the Sydney Airport team with us again is a real boost for the next three seasons and hopefully beyond.

Our season started early with some good planning sessions, and then launched in to another year of support, training, carnivals, lots of SRC graduations, Development Camps, and of course 7,000 Nippers across the clubs in Sydney Branch.

It was also great to start the Season with a talented team on board as part of the JDC Committee - Marcelo Garay - Deputy, Donna Hargreaves - Secretary, Michael Day - Surf Sports and George Benhayon - Lifesaving and Education.

Our Age Manager Courses were very well attended across our two sessions and we have now trained over 500 Age Managers in the last 4 seasons - great effort by the clubs to get their Nipper parents motivated.

Thanks this season to Donna and Jason from North Cronulla, who delivered the Bate Bay Age Manager Presentation this season - great to have that level of support and experience available.

This season, I also had the pleasure of delivering Age Manager Courses at Far North Coast and at Hunter Branch - great to meet so many other people committed to running the best Nippers they can.

Our District Carnivals rolled out for three of our districts in November, and well done to all those clubs who hosted the Carnivals, - it's always a big effort, and not always in sunny conditions, so well done to everyone involved.

I had the pleasure this season of working with the Bronte SRC team, and implementing a new approach to the SRC training package - four Sundays of solid training, built on the last few seasons of a focus on lifesaving, then a solid weekend where we all got together and trained hard, while still having some fun.

This was a great outcome for the club and the candidates, and when the Part A assessor wanted to check with me that this was Bronze or SRC assessment, cause the candidates were at such a high level, we were all pretty happy. Thanks David Finnimore and the team from Bronte Nippers for the experience. Well done on implementing this new approach.

With our season in full swing, it was Development Camp time for the U13's, and nearly 100 Nippers and 22 able bodied parents turned up for a great weekend. This weekend we had the support of Molly Yeldon from Bronte SLS and Emily Maythers ex JLOTY from North Cronulla.

Molly and Emily certainly were inspiring in their presentations, and it was great to see each of these ex Nippers doing so well within their clubs in both lifesaving and competition.

This year we had the new High Ropes Course which certainly challenged many of the Nippers in team work, communication, and just taking that first step high up in the tree tops, a great event.

Thanks to Cronulla and Maroubra for their IRB teams on the weekend - they were awesome

Our Development Camps could not happen without the support of Sydney Airport and their continued Sponsorship, and the Nippers and parents certainly enjoyed and benefited from the camp once again.

In December many of our clubs had their SRC Graduation, and this season there were 351 SRC Awards across the 15 clubs - well done to each club for training these young lifesavers so well - we know they will all be a great asset to their club, and an effective member of their new patrol.

By the end of 2105, many of our clubs had rehearsed their Nipper Emergency Response with their clubs support. these sessions were very well received across the Branch, and showed us all how we need to respond effectively if this situation does arise.

Our U11's Development Camp this season was run by Sara Wilson from Coogee SLSC, and Tim Murray from Maroubra SLSC . The camp was a huge success, and once again well supported with Emily from North Cronulla joining us as a guest speaker, and IRB teams from South Maroubra and Cronulla, with Cronulla coming down for the second time this season

A big thank you to Sara and Tim for taking their time to run this camp - it's always a big weekend, and each of them put in huge effort leading up to the camp, and obviously on the weekend - very much appreciated by the Branch.

Our Junior Lifesaver of the Year interviews once again produced an impressive group of young lifesavers. It's always a pleasure to interview these young men and women. Making a decision on who should be the JLOTY is always a difficult and close result.

This season our Finalists were:

Emily Metti	Cronulla
Michael DeFrancesco	North Cronulla
Ella Rondezzo	Elouera
Callum Waugh	Coogee
Elizabeth Smith	North Cronulla
Elijah Messina	Maroubra
Jasmin Georges	Maroubra
Lauren Hutchinson	Elouera
Chloe Walker	Coogee.

Our Winners this season for the SLS Sydney JLOTY were:

Chloe Walker	Coogee
Michael DeFrancesco	North Cronulla

These are two very impressive young lifesavers and they did our Branch and their Clubs proud at the State Development Camp in April.

Our Branch Age Championships was held at Maroubra and was the best and biggest for many years, with perfect sunny conditions and a huge base of Water Safety personnel, officials and IRB teams from the clubs. It was a spectacular day, with many memorable events and a lot of very impressive results coming from many of the clubs.

To the Maroubra SLSC Work Party, Wayne Druery and Michael Byrnes thank you to all of your hard working team members who made it such a successful day.

This event is now the second biggest Nipper carnival in Australia, and with 1,400 competitors and over 300 support

people we can be very proud of this event being one of the best carnivals in Australia.

Another season has now passed, and we have seen 7,000 happy Nippers on the beach with thousands of parents seeing what their kids can achieve each Sunday.

Nippers is a way of life for many, with many hours of effort put in at the beach by many mums and dads who are also lifesavers at their club.

Over the last few years we have put lots of effort into ensuring all our Nippers are getting a high quality of education and experiences in the water and beyond.

Once again it has been a pleasure working with my fellow JDC Committee members, and each of the 15 Nipper teams across the Branch and to each of the Committee team and the Chairpersons, great effort and well done to all

Doug Hawkins
Director of Junior Development

SURF SPORTS

DIRECTOR OF SURF SPORT

This season was my third year in the position of Director of Surf Sports and I, along with the Surf Sports Committee (SSC), continued with our clear primary focus of providing competition that was safe and efficient with carnival programs aimed at the contemporary needs of our competitors. It was great to see Elouera introduce a new Masters Carnival onto our calendar along with Cronulla who successfully ran an endurance ski race in August and Maroubra a Beach only carnival. Wanda took advantage of the long break between the State and Australian Championships to successfully run their Open Carnival.

I will now highlight and expand further on other key aspects of the season.

Interbranch Team

2015/16 season saw Surf Life Saving Sydney again finish second at the NSW Interbranch Championships with Sydney Northern Beaches taking out first place. This year the Championships were held in the Lower North Coast Branch at Cape Hawke (Foster). A major highlight of the Championships was the introduction of a new teams based program with the water events conducted over a short course format. A big thank you goes to John DeCean (Team Manager), Max Gonzales (Assistant Team Managers), Scott Thomson, Tracey Schriek, Steve Strawbridge and Ray Masters (Coaches) and in the logistics and uniform roles – Jackie Parker, and Brett Furniss. Special congratulations to all of the athletes who were successful in selection and represented the Branch so proudly under the leadership of Captains Mitchell Allum and Danielle McMahon (Wanda).

Appointment of Referees & officials

Referees and Deputy Referees were appointed to our carnivals prior to the commencement of the season. This process allowed for a more thorough planning and preparation process, in conjunction with Club/District based organising committees, prior to each carnival. A big thank you to all of the Referees, and their Deputies, who volunteered and undertook these very important roles.

I would also like to thank all of the officials and IRB Drivers/Crews who provide so much of their time and expertise to, not only make our carnivals such a success, but also the time and effort they dedicate to carnivals outside our Branch including State and Australian IRB Championships, State and Australian Pool Championships, the NSW State Championships and the Australian Championships. I am firmly of the opinion Sydney Branch is blessed to have such a wonderful pool of talented and committed people to draw upon. A special congratulation to all officials who were selected for senior roles at the various State and Australian Championships.

We continued with our 'official of the Month' Awards this season with special congratulations to Craig Jordan, Jeff Maythers, Guy Beynon, Lindy Beynon, Robyn Allan & Donna Brown for taking out this season awards.

Club Carnivals

The Surf Life Saving Sydney calendar of carnivals was basically a repeat of previous seasons with the majority of carnivals being held on their traditional weekends with the exception of the Wanda Open Carnival that was postponed to April. The focus continued on streamlining programs to allow them to be conducted within a 4 to 5 hour time frame.

Many thanks to the JD based organising committees for continuing a wonderful calendar of Junior carnivals including the 4 District carnivals. This year we saw successful Junior carnivals at Cronulla, South Maroubra, Elouera (Ohana Carnival) with the Australia Day North Cronulla Ironman continuing to be a very popular event again thanks to Sydney Airports Corporation for their continual sponsorship of our Junior carnivals.

Branch Championships

The 2016 Open and Age Branch Championships were again hosted by Maroubra SLSC. A big thank you to Dave Simpson (President Maroubra SLSC) and his team for such a wonderful job in hosting the Championships. The Masters Championships & Life Saving Championships were again held in conjunction with the Coogee Open Carnival.

State & Australian Championships

This season again saw Sydney Branch competitors and clubs perform extremely well at both the State & Australian Championships with Wanda taking out 2nd place in the State Age Championships and 3rd at the Open Championships. Bondi was successful in winning the State Masters Championships while Elouera was victorious in winning the pointscore at the NSW Pool Championships. Finally congratulations to North Cronulla and South Maroubra for exceptional results in the IRB Premiership Series and the IRB State Championships.

Gear Steward & Trailer

Peter Burst and Frank Ridley again need to be congratulated for the thankless task of maintaining the gear trailer and its contents. I would also like to thank the Caringbah Bowling Club for their continued display of hospitality in allowing the storage of our trailers and container. A big congratulations to Peter Burst for being awarded the inaugural Directors Award at this year's Awards of Excellence.

Kellogg's Nutri-Grain Ironperson Series

It was great to see the return of the Nutri-Grain series to North Cronulla. After being absent for a number years the series

returned to the Bate Bay for what could only be described as an enthralling weekend of racing. Basically the crowds on the beach were amazing. Congratulations to Lizzie Welborn (Nth Bondi) for qualifying to compete in the series and to Craig McKinnery (President Nth Cronulla) and his crew for hosting such a wonderful event.

Finally, I would like to thank my fellow members of SSC being Greg Pierce, Tracey Green, Carlo Villanti and Mike Day for their tireless efforts and support. I would also like to thank the team of Advisors who have been an enormous assistance this season including Greg Allum OAM, Peter Burst, Ian Goode OAM, Max Gonzales, Peter Moyle, Grant Wilkinson, Steve Warren, Graham Bruce, Michael Byrne and Grant McMahan.

I also need to thank the Board Management for their support and in particular the President – George Shales. To Victoria Raymond and Linda Perrin of the Branch office your advice, help and assistance – continues to be much appreciated.

Wayne Druery
Director of Surf Sports

OUR CLUBS

BONDI SBLSC

The last season saw a four-fold increase in rescues for our club. We can be proud to say another season has gone by with our lifesavers ensuring no lives were lost.

Thank you to James Rogers, our Director of Lifesaving, for running Bondi's lifesavers on the beach. The extra work placed pressure on our lifesaving equipment, James has set out to replace some of our aging patrol gear. James also led the team to update our website.

Lia Trebilcock took on the education area this season. Lia worked with Jason Juma-Ross and our sponsorship/marketing team to develop strategic marketing to increase the number of people joining Bondi. The education team also worked on increasing the number of higher awards achieving a 31% increase in this area. Instructing a bronze squad at Bondi takes dedication and a selfless attitude to ensure our new recruits can rescue on Australia's busiest beach. Lia as she also taught our newest cadets their SRC.

Surf Sports has taken another step forward in the last season under the guidance of Dave Auckett, Nick Nezval and Robert Harvey. The surf sports team finished first in the state masters competition which was a first for our club following up with a strong showing at Aussies that delivered a gold to Andrew McEncroe's U19 R&R team.

The Nippers side under Scott Ryan are running a strong section with a strong and devoted sub-committee. We fielded competitors again at National titles and more of our juniors are training outside of their nipper sessions to better their skills. The challenge that almost every club faces is the retention through the cadet and junior ranks, this is something we will work on this coming season.

Our Director of Finance Jon Fyfe quickly caught up to speed on the multiple aspects of his role. With a cautious eye on expenditure we were able to start a program of replenishing some of our aging equipment, this was bolstered with an increase in income to achieve a financial turnaround of \$112,558 and bring the club back into profit. We were lucky to have the skills of Bastien Wallace as well which delivered a few successful grants this season. In the year ahead the aim is to continue to purchase new equipment.

Jason Juma-Ross and his marketing/sponsorship team of Fiona Tschaut and Siobhan O'Toole worked hard on enhancing processes and starting to set up multiple streams of revenue. Our website has a functional merchandise shop, we have brought on a few sponsors this season and are in the process of setting up more revenue streams this coming year.

Another first year director was Pep Font in the Deputy President role. Pep was involved in a number of projects this year. He has worked with member services, protection officers and worked hard to meet with each section of the club to communicate the goals and plans of the board. Thank you Pep and it's great to see how much you enjoy being on the board.

Thank you to Leo in his role as director of administration for

another year and also to his deputy Peter Quartly. As the club grows in size this role becomes more complex as we look to grow our revenue streams. Within Leo's portfolio is our paid administrators in Vivienne Veckranges, Louise Santos and Helen Jenkinson; without this trio working behind the scenes the club wouldn't be where it is. In the next season the aim is to complete the update to our rules and enhance the regular processes we use.

A section of lifesaving is the IRB section, they are a group of members that spend more time on patrol than other members and then also spend all winter training up their members to be up to the speed for the following summer. Over past years they have had to work with ageing boats and motors, this season we have been able to start replacing some of it so hopefully the time spent ofn maintenance will be lower. Thank you to all of you in the section for your time, patience and dedication to ensuring the section will continue to be successful.

The board of management have worked hard on putting together future goals and plans for the club. As a board we have worked cohesively this last season to further strengthen the foundations for the club to grow on, this includes strategies to recruit and retain members, multiple revenue streams, strong processes and greater transparency. As a member any of you should feel free to come to a board member and find out more about any aspect of the club, the club is what it is because of its members.

There are countless other individuals that put in a lot of time into ensuring the club can grow, it is this volunteer spirit that lifesaving is built on and we will continue to ensure Bondi's traditions and values are upheld in the season ahead.

Jacob Waks
President

BONDI NIPPERS

This summer was Bondi Nippers 50th anniversary. In celebration, we held a function at East's Leagues Club. Several original members returned to catch up with each other, and share a few stories with us all. Let's hope our current Nippers will be able to hold a celebration for our 100th anniversary.

Through the tireless help and encouragement of our Age Managers, Coaches and Water Safety, we saw improvement in beach and water skills. This was further realised in increased participation in our Club Championships including the Ironman event. Well done to all our kids for the improvements you have made this season.

Sunday morning Board Training classes were bigger than ever this year, with over 80 Nippers attending, resulting in extensive improvement in skills. We are planning to extend and improve on this program for next year. This training has positively impacted our results in the Waverley Shield carnival, where Bondi gained 267 points. Our most successful Age Group was the U12's (58 points), and our best event was the Sprints (86 points). This highlights the efforts of our Coaches and Age Managers and we look forward to further successes next year.

At the Youth Australian Titles (Aussies) at Maroochydore Beach, we had Nipper representatives in the individual beach competition and a team entry. Our individual entrant was Kirsty Beattie who competed in the U14 2km Beach Run, achieving 4th place, and then backed up together with U14, Logan Ryan, to join with Avani Jagavkar, Jamie Weetman, and Abigail Vaughan to compete in the U15 R&R event, where they won a Silver Medal. Avani, Jamie, & Abby graduated from our Nippers last year.

Our heartfelt congratulations to all our competitors on a great season. Well done, and let's strive for an even better season next year.

Age managers and helpers are integral to the smooth running of the Nipper program and are required by SLSA to be trained for the important role they serve within the Club. Well done to you all, we couldn't run our Nippers program without you. At times you're a shoulder to cry on, at others you're an educator and mentor, and sometimes a driving force of encouragement. Thank you for being all of these.

To our Sponsors; without your generous support we would not be able to run the Nippers Program and we wouldn't be able to provide the quality of gifts and awards on our Presentation Day. Our warm thanks go to: Sydney City Volkswagen, the Oaks Bistro Double Bay, the Sydney Roosters, Porebski Architects, Richardson & Wrench Eastern Suburbs, Finz Swimwear, Europa Construction and Steggles.

To our IRB Drivers; Graeme Wong & Kavall, Water Safety Manager; Stephen Norton and his team of 74 volunteers, and our Skills Coaches listed below. We all give you our heart-felt thanks. You are an essential part of our team and make Sunday mornings work seamlessly.

Coaches: Lia Trebilcock, Michael Hallam, Virginia Pope, Emily Gillies, Scott Stein, Simon Watkins, Will Hardman, Chris Lorang, Gary Emmerton.

The biggest thank you goes to our dedicated Management Committee. The amount of voluntary work behind the scenes to run a Nippers Section of roughly 1000 people (kids and parents combined) is staggering. Many thanks for your tireless work, without you, our Nippers activities would simply not function. Well done this year, we all appreciate the work you contribute to our kids.

And finally, I come to our outgoing U14 Age Managers, Steve Hackers & Margaret Douglas.

Thank you for your 9 years of guidance and management of your age group. You have watched your group grow from U6's through to U14's, educating them along the way to become young Life Savers. We had 20 graduating from Nippers with their SRC awards this season. These Junior Lifesavers are the future of our great Surf club and will be warmly welcomed into the senior surf club section. To all of the U14 Nippers, well done, and we hope you can stay around for many years to pass on your wealth of knowledge to those coming through in your footsteps.

I have enjoyed this year immensely and look forward with enthusiasm to next season.

Scott Ryan
Director of Junior Activities

BRONTE SLSC

In a very challenging year for surf conditions, it is with pleasure that we report no lives were lost on Bronte Beach this season.

Although it was a season that witnessed the beach being closed many times, our Patrollers nevertheless had to deal with enthusiastic (and in many cases naive) beach goers. redibly, our rescues were nearly double to last year and totalled over 260. First Aids were up 35% and preventative approximately 50%. This summer's challenge was typified by the October long weekend where 79 rescues were performed. On behalf of the Board of Management we want to acknowledge our incredible Patrollers and water safety personnel for the job they have done this season. Truly heroic.

I would like to thank so many that allow us to operate as a Club. Firstly, to the entire Board of Management, thank you for all your time and effort. Our Administrative staff continue to work very hard for the Club. Lead by Peter Butcher as General Manager who is well and truly assisted by Kimberly Johns, Fiona Ellison and Tilly Teahuahu-Tana. Thank you to Holly Ries who has worked tirelessly as our Functions Manager, Nathan Lewis as our Bar Manager, John Cook for overseeing the kiosk, Judy Koslowski (merchandise) and Duncan Horscroft (BBQ).

From an education standpoint, we had 62 new Bronze, 15 Silver, 29 SRC Graduates and 1 new assessor. Thanks to Doug Hawkins from Coogee in helping our SRC Program which was a great success.

Congratulations to Kimberly Johns who unaniously was awarded Patroller of the Year and to Paul "Johnno" Johnson as our Patrol Captain of the year. Thank you to Moz, Whilly and Paul Watchman for overseeing our very important Water Safety program. Our legendary IRB Team continue never to disappoint and this year we added 1 new driver and 10 IRB crew. How do we possibly thank Jochen and Jason for all their time.

This year's Macquarie Bondi to Bronte tested our resources when we had to change the finish of the race to Bondi on the day. It was a credit to the Club we managed the process so swiftly and in time for the Prime Minister to start the event. Nearly 1,700 swimmers completed the course and I want to reiterate the Club's gratitude for everyone who made the day so successful.

On the competition side of our Club, the highlight was our boys winning a national gold medal in the Rescue tube rescue. Well done to Wally, Andrew Stephen and Josh. the legend of Harries continues with three amazing surfing gold medals. Thank you to Team Managers Max Gonzales and Trish Ford.

Our Cadets performed well, highlighted by a gold in the Under 15 Female Surf Team at Branch and State and their 4th at the Aussies. I want to acknowledge Jason Gavin in running our Nipper and Junior Training Program and has, with Dave Finnimore, been influential in growing our Cadet Program.

As to our Boaties, another strong season highlighted by our Open Men winning Branch, our 200+ men's silver at State (and 6th at Nationals) and our 160+ men's crowned State Champions.

Each year a highlight is the ANZAC memorial march and service for Gallipoli and this year we reverted back to the promenade as the starting point for the March. Another memorable day. Socially, Derby Day was another fantastic event as was our Reunion Day. Sunday Sips has attracted many new people and thank you to Jim and Pat, Roley, Peggy, Donna and Barb in hosting Sunday evenings.

I would like to acknowledge Graham Ford, our Club Patron and former Club President who received an AM in the General Division in the Australia Day Honours List. This award recognises Graham's significant service to surf lifesaving. On behalf of all members of Bronte SLSC we congratulate Graham on this well deserved honour.

A huge thank you to Holly Ries for her hard work in compiling this year's Annual Report and we are blessed to have Elissa Hancock from Swatch & Font oversee the whole process.

Basil Scaffidi
President

BRONTE NIPPERS

Another big year for Bronte Nippers, with over 800 kids registered for our Sunday mornings along with training and competition offerings. We were blessed with great conditions for the first half of the year, but sadly were kept on the sand way too much with the beach being closed in the second half of the year more often than not.

Despite this, we were able to use the Bogey Hole and the Bronte Pool as default locations, but nothing beats being in the ocean as we know. We had a really good roll up to our Age Managers night at the start of the year, and welcomed some fresh faces into the AM ranks. In all honesty, this is the best way for any parent to get involved, and I strongly believe that if your kids see you putting in the effort, then they will do the same.

This year saw Bronte take the National lead and develop in conjunction with Sydney Branch JD Chairman Doug Hawkins, a "fast track" SRC Course which was a huge success, and potentially now see's this format roll out across the movement. the basis was to increase the learning on-line at home, then an intensive weekend and a few additional sessions, then straight into testing. All 31 kids passed, and passed well. Some Assessors thought they were already beyond Bronze Medallion equivalent. Big thanks to all the Parents who assisted, we all learnt a lot at the same time, along with Andrew Ugarte our CFO, but massive thanks go to Doug and Heather Hawkins for their amazing work.

In the Competition space, Bronte again excelled at the NSW Champs, for once held in beautiful sunny conditions at Umina! We didn't quite match the year before's 4th position, but got a great 8th spot in the State, and once again the leading Eastern Suburbs Nipper Club. All the 100+ kids who pulled on the Blue and Gold cap gave it 100%, backing up race after race, sometimes jumping in to a higher age group to help fill a team spot not wanting to let their mates down. It was great seeing water kids finish a race and run up the beach to jump in a sand relay and vice versa. Topping it all off, Bronte won the All Age Beach Relay, in a stunning race in front of a large and vocal crowd!

Big thanks go to our generous Sponsors at Nippers and the Bronte SLSC more broadly.

GO BRONTE

David Finnimore
Junior Activities

BURNING PALMS SLSC

It has been an extremely hard season for Burning Palms, since the figure eight pools has exploded onto the internet. To our club's credit, our patrols have done an excellent job with the increase in first aid and preventative actions, which has been unbelievable this season. We have been extremely lucky that no one has been washed off the plateau and only washed up against the rocks. Once again, we can proudly say that no lives were lost whilst patrols were on the beach.

The Palms, I imagine have the same problem as most clubs, in attracting new members, particularly of our location. Unlike most clubs, we don't have the luxury of a community at our doorstep. So we have embarked on a campaign of trying to attract one of the high schools in the Sutherland Shire area to participate each season, in an intensive week long bronze training program, with year 10 students as the target age group. When I say each season, we mean an ongoing program of Surf Life Saving being part of the school's curriculum, to be ongoing as long as the school and club sees fit.

Financially and committee wise, the club is strong. From where we stand, all we need is an influx of new younger members to keep the club ongoing, be it through the school program or some other avenue. As I see it, we are an ageing club and by this I mean we have more senior members in our ranks than the younger ones. Unless we can entice the younger generation to join and go through the ranks, I can see the club struggling in the coming seasons when the current active older members retire.

Our member program is doing well and now some of the nippers are starting to filter through to the senior ranks. This is mainly due to the efforts of our Junior Board Committee member Wayne Vaughan and his helpers. What started out a few seasons ago with ten or so nippers, has now increased to approximately 50 or so. As long as this trend keeps going, then this will ease the burden of our senior clubs problems. With respect to gaining bronze medallion members, so far two former nippers have come through, done their SRC last season and this season have obtained their bronze medallion awards.

On behalf of our club Burning Palms, we would like to thank the Sydney Branch Surf Life Saving for its guidance and assistance throughout the 2015-2016 surfing season.

David Falkiner
President

BURNING PALMS NIPPERS

Burning Palms nippers had another great season with lots of sun shining down. The surf conditions were not always as favourable, which limited water activities at times, but when the conditions were good they jumped in and revelled in practicing their lifesaving and surf skills.

Garie again provided the accessible location for our nippers and their families to join with their Garie counterparts. We would like to thank them for welcoming us and allowing us to participate.

This season had about 50 nippers again this season with all age groups well represented. It is SO great to see a healthy spattering of Brown & green amongst the red & blue of Garie. Old friendships & rivalries were renewed and new ones forged with both the nippers and their parents as we continue to strengthen our unique association, now in its 8th year, the results are showing as we now have active patrol members who have graduated from our Junior surf program- Nippers.

The district carnival was hosted by Garie this year with all three clubs well represented. There were no water events due to poor conditions so it was all up to the sand events to get those points and competition was fierce but friendly. The Palms nippers did themselves, the club and their families and of course the mighty green and brown proud as they took home a swag of medals with a few age champions taking trophies home. A big congratulations to all competitors and volunteers on the day from all three clubs. Era took the District trophy home with points, but Garie (2nd) and the Palms (3rd) are getting closer to them every year.

The nipper's sleepovers have again proved very popular with our new members and it is a great way to introduce the parents to the club and its unique environment. Being a member of Burning Palms, the families get much more than a nipper program, they are learning life skills and an appreciation for the natural environment in a very unique location that many would not experience anywhere else.

Emilia (Millie) Danne and Isaac (Squishy) Chafei represented the Palms at the Branch carnival at Maroubra this season. Both Isaac (U13) and Emilia (U9) competed in the sprints and flags. Isaac made the final in both events; Emilia was bundled out early in the heats of the flags, but she must have been saving her best for the sprints... by WINNING the event and being the first member of Burning Palms to win a GOLD medal at Branch level. But hold the congratulations and applause because Emilia then went on to compete at the State Nippers carnival held at Umina and after doing very well in the heats and making the final, where she placed a very respectable 6th place in the sprints.

Congratulation Millie and thanks to Parents Terry (Gerry) and Michelle for the effort in taking Millie and Harrison the cheer squad to the carnivals.

We would like to thank our Branch sponsor Sydney Airport, as without the support from them and our other sponsors we would not be able to have as strong a presence on the beach. We look forward to maintaining these great relationships in the future. Thanks to the parents and carers that bring their children to the beach who help us set up and pack down each session and our age managers and assistants that are very important to the running of the nipper program and without them nippers couldn't happen. The team of parents on the beach; ready and willing to keep an eye on the kids in the water are always looking for help, so don't be shy join in. Thanks most of all to the nippers themselves for making this last season such a successful one. See you all on the beach in the brown and green next summer.

Wayne (Hammer) Vaughan
Junior Activities

CLOVELLY SLSC

As we close another successful season at Clovelly Surf Life Saving Club I am happy to report that once again NO LIVES WERE LOST.

I would like to thank the Board for all their support and assistance throughout the year and the hours they have dedicated to ensure the smooth running of our Club.

To my Vice Presidents Geoff James and Russell Byrne, your ongoing support and guidance is always appreciated. Our club is in a healthy financial position thanks to the expertise of Craig Wheatley in his role as Treasurer. Rebecca Cocks, has put in many hours as Secretary of the Club, also training Bronze Squads, spinal and more. Thank you both for your dedication to your roles.

Jessica Wheatley is standing down as Director of Education after three years for a well-earned break. Thank you Jess for all you have done in the last few years, managing the Education Team and promoting awards to current and new members to ensure we have a skilled membership base for the future.

Thanks to all the Patrol Captains and all patrolling members for their tireless service in keeping Clovelly and Gordons Bay safe for the general public. To Tania Rouse our Director of Lifesaving, thank you for your time this year serving in a very busy role.

Each year we host a series of events including a successful Sportsman's Lunch as well as days to celebrate and remember past members, including the Dave Murray Relay and the Tom Caddy Relay. All the events were highly successful this year, thank you to all who were involved.

Our Clovelly Nippers once again had a full beach with 400 members hitting the beach each Sunday. After three years as President, Lee Killigrew has stepped down and we welcome Bryce Wilde to the role.

Ken Ryan's swim club continues to prove popular and our winter Swim Club the Eskimos continues to be well supported and is open to new members. We have all enjoyed the wonderful hospitality in our function centre, thank you to Troy Graham and Brendan Devlin for their expertise in this area.

I would also like to thank Randwick City Council for their continued financial support and assistance along with all our sponsors, we couldn't do what we do without you.

A special congratulation to our dedicated member Tom Barker. Tom is always on patrol at Clovelly or at SLS NSW at Belrose in the Radio Room, Tom was recently awarded the Sydney Branch "Under 17 Lifesaver of the Year". Congratulations Tom on your achievements.

On the competition scene our Masters contingent has once again brought home Gold, Silver and Bronze from local, State and Aussie Titles. Congratulations to all.

I would like to see younger members competing in the open competition in the coming season.

On a sad note Life Member and Past President, Jim Wells passed away after a long illness.

Jim filled many office bearing positions over the years and will always be remembered here at Clovelly.

There are many member's family and friends of Clovelly who I have not mentioned who work behind the scenes, fund raising, B.B.Q. and various other jobs, a massive big thank you. Your efforts are always appreciated.

Paul (Boof) Smith
President

CLOVELLY NIPPERS

Record breaking year for Clovelly Nippers.

This season will go down as a record breaking year for Clovelly Nippers with more competitors at Branch and State than ever before.

Our Sunday mornings on the beach were made possible by the consistent team of Volunteers which proved crucial to the organisation of the beach and of the 400 Clovelly Nippers each Sunday. A huge vote of thanks goes to them as without their efforts Nippers would not be possible.

The first Branch Carnival of the season at Maroubra saw Clovelly take over 50 active competitors, Training in the off season will be key for the hunt for medals early next season.

Championship days kept us very busy for the first half of the season before Christmas, a lot of new faces amongst the medals were a welcoming surprise especially through the younger age groups which bodes well for the future of Clovelly Nippers.

A successful missing child drill followed by a real life missing child scenario 5 mins after meant for an interesting Sunday in December.

Our pre Christmas twilight Saturday evening Nippers proved a big hit with the parents and Nippers, lots of fun had by all followed by a BBQ and drinks.

Santa arriving in the row boat was a wonderful morning to cap off the pre Christmas season with lots of smiles and lollies all round....well done Santa.

Returning in the new year with our Annual Clovelly / Tamarama challenge had Tama enjoy Clovelly Bay with relays, swims and boards followed by our infamous sausage sizzle thanks John and Michelle for another great BBQ.

The highlight of the season was once again the annual State Titles at Umina Beach.

A record breaking Team of 15 Nippers competing was a great start and with the swell being favourable everyone entered all their events with some strong efforts through all the age groups.

The last beach day involved parents and Nippers which was a lot of fun with the Nippers trying to beat the parents, on the sand and water.

This was followed by a season in review with Age Managers and the committee. Food and drinks in the surf club was enjoyed by all, with many great ideas coming forward for next season from all the volunteers.

Presentation day on the 20th March was held in the Tom Caddy room upstairs in the Surf Club to the enjoyment of all the Nippers whether they received trophies or not seeing the wonderful friendships makes everything worthwhile.

It is with regret that I finish up as President of Clovelly Nippers this season. I wanted to thank the senior club for its support and for the Age Managers, committee and volunteers who have made my job easier!

I am proud of the positive changes during my time as President and am pleased that Clovelly Nippers is regarded as being a great place to learn to be a future lifesaver but with a strong emphasis on having fun and a long waiting list!

I wish the incoming President Bryce Wilde every success in his tenure as President.

Lee Killigrew
President of Junior Development

COOGEE SLSC

There is no doubt that the purpose of this report is to reflect on the 2015/2016 season as it occurred at Coogee SLSC. It would be remiss of me, however, not to spend a little bit of time on recent dramatic events at the club. But more on that later, at the close of this report.

The season certainly started with a bang and I am happy to report that we have had a successful season across all areas of the club's main activities.

Lifesaving continued to be a core strength of our activities. The club maintained its unblemished 109 year record of "no lives lost" and performed over 20,880 volunteer hours between the flags. The season certainly threw up some challenging conditions and we were tried and tested especially over the Christmas holiday period. This was certainly the case on New Year's Day 2016 when all hands on deck were required to assist in a major incident. I am proud to report that this rescue was awarded Rescue of the Month for January 2016 by Surf Life Saving Sydney.

I would also like to acknowledge the assistance that our club captain Tass Karozis provided to our good friend Garie Surf Club with a number of patrol members making the journey South to patrol over a number of weekends.

An important part of our life saving team is our education area. Our instructors coordinated by Emma Gill provided a significant amount of training over the course of the season, with an incredible number of awards gained from bronze through to a range of special awards. A special mention in this regard should be made of the numbers in our Surf Rescue Certificate squads and an ongoing focus on youth awards and training through the innovative Lightning Bronze and our Surf Camp projects.

Minnows, our Nippers area, continues to be one of the largest in the country and it is a sight to behold over 1200 kids on the beach on any given Sunday. Steve O'Donnell and his team of age managers runs this area like a well-oiled machine and the Juniors area did very well in competition, especially at State level.

The performance by Minnows was also reflected in our overall competition area with strong performances from our open and masters areas – with a very strong performance at the National Titles in Queensland as led by John MacDonald and Mark Harrison, who showed amazing leadership and determination.

There were a number of highlights to the season and I would like to single out the following for special mention.

We now run two Wedding Cake island swims a season and numbers continue to grow. This is a critical event for the Club and could not be run without the ongoing support of Randwick City Council – and all support from SOG and Branch.

Coogee Carnival is still one of the oldest continual beach carnivals in the country and we are fiercely proud of this tradition and heritage.

Again, many thanks to Randwick City Council, District and Branch for allowing us to run this event – and also to our own Peter Kennedy who coordinates the event.

Finally, I would like to make mention of our own Anzac ceremony and thank our club governors David Park and Tony Waller for facilitating this moving event.

And that was where we thought the season had ended. On the morning of 6 June 2016, however, we awoke to find that the club house had been significantly damaged by storm and big surf with a loss of much equipment and a large part of the downstairs area. This is one of the most significant events that the Coogee Surf Club has sustained. We now face the challenge of a rebuild and repair. We are up for this challenge and will be back on the sand in September 2016 – with vigilance and service. I thank Branch for all its assistance and comfort in this difficult time.

Mark Doepel
President

COOGEE MINNOWS

As my first season as Captain it has been an amazing roller-coaster ride! Coogee Minnows continues to shine as the largest nipper organisation in the world and one that many clubs are envious of. However, without the delightful kids and parent volunteers none of this would happen. The 'one-club' approach where all levels of Coogee SLSC are working together has helped to transform the Minnows into an even more outstanding group.

There are not many sporting groups that have 1000 members and 300 parent volunteers that put in the hours, efforts and program that nippers does for the small cost involved. To see U6's boys and girls turn from apprehensive and nervous beachgoers into U14 SRC lifesavers is a huge 9-season journey but is truly worth every bit. None of this could happen though without all of the volunteers involved.

First of all I want to thank our Platinum sponsor Craig Sewell and Mint 360 for their ongoing. Also to Secret Gardens and Infinity Constructions, as well as Mint 360 Finance for their very special support and we hope that you will continue to stick with us for seasons to come.

Next I want to make a very humbling and deepest thank you to the Senior Club Executive and Committee for their tremendous support of Minnows and also of me personally. I also want to thank the girls on the office at the senior club for all of your work behind the scenes.

The efforts of all of the members of the Minnows Management Committee and Executive mostly go unrecognized. Being a part of this group is a 12 month commitment with multiple meetings, decisions needing to be made and planning and preparing not only weekly but for the whole season. To our Age Managers, competition co-ordinators, Age Assistants and Water Safety who are at the 'coal-face' every week I say a massive thank you as you are really the people who have the greatest influence in training these young people to become lifesavers. To all of our coaches and trainers I also want to say thank you as you help us reach the lofty heights we have and have also turned our young people into these great lifesavers. I also want to make special mention of the Patrol Captains, Randwick City Lifeguards and the Randwick City Council for their ongoing support of Coogee Minnows as well as their much-needed patience with us.

Our boy and girl captains this year: Chloe Walker and Callum Waugh are a great credit to themselves, their families and Coogee Minnows. With Chloe winning Junior Lifesaver of the Year for Sydney Branch was a reflection of this whole SRC group.

With the season running smoothly with each age group developing their surf education, lifesaving skills, communication techniques as well as internal competitions. We also quickly gained lots of new parent volunteers who were qualified either with the Age Manager Award or stepped up to the Mum and Dad's Army to do their Bronze Medallion and become an important part of our essential Water Safety team. This year it was also Coogee's turn to host the

Randwick shield which of course found its way back to its rightful home. The Inter-club Championship Days tested all age groups with a number of surprise and stand-out performances. Our SRC group grew in confidence and leading up to the end of 2015 we had almost 60 new qualified patrolling members. A number of selected boys and girls from our U11 and U13 attended the Sydney Branch camps. The January Surf Camp was another roaring success and was well supported by Minnows and parents. John Mudge Day and then lifesaving skills dominated the start of 2016. We then moved forward with great speed towards the Branch carnival and then looked forward to the State carnival at Umina. Coogee ended the season with a 9th place at the State carnival. Whilst we acknowledge the amazing efforts of these competitors, the Minnows and parents who did not attend are just as an important part of these successes and you are the giants on whose shoulders we stand. The conditions this season were challenging to say the least but the weather was simply outstanding and we were very blessed to have the season we did.

There were many highs over the season and a few lows. The passing of Ash Smith touched many but the way the whole club rallied around Sophie Smith and Owen as well as their family was awe-inspiring and shows what a big family Coogee really is.

For next season there are a number of challenges facing us. Whilst some of these challenges will need some work I am confident that the dedication, tenacity and ingenuity of so many at Coogee will prevail as it always does.

Steve O'Donnell
Minnows Captain

CRONULLA SLSC

Another season has ended and once again I feel that as a surf life saving club, Cronulla has done its job well.

Our lifesaving was very good this season with a high standard of patrols managed well by Club Vice-Captain, Darryl Easton. From Gear Inspection all the way to Anzac Day, it was a long lifesaving season but it was a successful one. Our equipment was well supplied and of a high quality. This is largely due to the financial support given by Club sponsors such as Cronulla RSL, the Holt Group and also the Federal Government gear "allowance" facilitated by the SLSA.

This season we saw the official launch of "the Woodsie", an IRB donated by the Holt Group. This rescue craft was named for Daniel Wood, IRB Captain for twelve years as well as a long term Instructor. The boat was launched by donor, Philip Holt at a ceremony attended by several dozen members. This IRB, propelled by a motor donated by Cronulla RSL is now an integral part of our rescue equipment.

Our lifesaving responsibilities were emphasised to us by the awarding of a SLSA Meritorious Award to Club Member, Richard "Bluey" Garnsey for a great rescue performed last season. Early in the morning on 12th December 2014 Richard paddled out alone in eight foot surf and rescued a father and son surfer, spending thirty or more minutes in the water - definitely saving life on the day. Congratulations Richard.

Our competition group finished the season off well. At Aussies we won seven gold medals across all three carnivals in what were some great events. Gold medals went to Ngaire Hadfield in U17 Female Beach Sprint, Chloe Mannix-Power in U15 Female Beach Sprint and Isabella Walker in the U14 Female Beach Sprint. The beachies continued their success in the U15 Female Beach Sprint Relay and the U17 Female Beach Sprint Relay. Carla Papac finished off the carnival with an amazingly dominating win in the U19 Ironwoman. Tim Tardent, one of the hardest trainers in the Club took out the 40-45 year Male Beach Flags. Chloe had won the U14 Beach Sprint last season so this was a great result for her and the female beachies. Chloe, Ngaire and Carla went on to win the Branch Female Athlete of the Year in their respective age categories. Well done to all who competed or assisted at Aussies. Once again, I thank Team Manager, Paul Cavanagh and his assistants for their efforts and well co-ordinated operation.

The presentation nights and AGMs are rolling around and these are the events which formally close off our season and we look forward to the social aspect as a celebration of our Clubs, service and camaraderie.

However, even before the season is fully closed off we have started our preparations for the next one. Administrative and Club office positions are being sorted for the coming season. Coaching and Competition planning is underway with keen

competitors already back in training. The nippers are organising gear, activities and people. Also, most importantly, lifesaving preparations have commenced so that we will be ready for gear inspection in early September and the first patrol in late September - not that far away. Before we know it the new season will be on us.

I look forward to seeing you all in 2016-17.

Rob Short
President

CRONULLA CRAYS

Cronulla Crays had a great season.

The number of nippers in our club has been gradually increasing over the past few years and equally important is the increase in participation from parents helping with water safety & taking on various committee positions.

This season we saw a new high in the level of comradery & participation in a broader range of activities from both nippers & parents.

Our age managers are the back bone of our club.

This season our age managers were very well organized, in particular I would like to thank our young age managers who are looked up to & even idolized by our young nippers. These young age managers have come through our nippers & are now giving back to the club they are a credit to themselves & their families. They are also the future of our club.

The Black Cap group (nippers with special needs), ran well again this season. We are proud of what has been achieved with our black caps & we hope to see them at Cronulla Crays for many years to come.

This season we introduced a learn to swim program for our u6 & u7 nippers

The swim program was very well received with a highlight being an u7 nipper Nathan saving his younger sibling from drowning in the family pool. Afterwards Nathan said "I do nippers and can save people"

The competitive section at Cronulla remains strong including most importantly our focus on life saving. Our u14s from this season very keen to begin patrols when the new season commences.

Our u14s represented extremely well this season not just in the completion but also representing the club whilst participating in touring teams & at the end of season trip away to Coffs Harbour with the funds they raised.

Cronulla Crays nippers celebrates its 50th Year next season. We look forward to the coming season with enthusiasm. The newly elected and endorsed committee for season 2016/17 are committed to take Cronulla Crays to even greater heights.

Michele Cole
Chairperson Cronulla JAG

ELOUERA SLSC

The 2015/16 season has been an important one for Elouera SLSC where we have aimed to continue our development in all areas of surf lifesaving.

Our membership has remained strong at over 1000 members including just under 600 nippers. These members have committed themselves to all areas of a lifesaving club very aware of the role it plays within our community and I am very proud of all members for their efforts in the last season.

In our 'core business', we have had a highly successful patrolling season thanks to all the hundreds of volunteers who committed so much in so many different ways to ensure the safety of our beach and the immediate surrounds.

This is a result of a wonderful team effort with a number of members patrolling well in excess of 100 hours and around 50 members gaining 100% patrol attendance.

Leading our patrols were 12 totally committed patrol captains who's contribution cannot be overstated.

Elouera made significant contributions to lifesaving activities beyond our beach in RWC & IRB support at carnivals, and in branch roles including providing 75% of hours to Support Ski 2; SurfCom operators, Duty officers; trainers and assessors and filling the positions of District Supervisors; Lifesaving and Education.

Again we hosted a number of carnivals this year as well as some branch training days. In working smoothly with council lifeguards, and the Branch's Director of Surf Sports, Wayne Druery and his team, the success of these carnivals is a testimony to all parties being able to work together for the benefit of all users of our beaches.

I would like to thank Brad Whittaker and his staff of lifeguards for their support throughout the year. We have a very professional relationship with the council lifeguards, that is for the benefit of both parties and I look forward to continuing this for many years.

In competition while we lost a number of elite senior competitors in the off season; the performance of our younger members was exceptional and places us in a strong position for future years. In addition we expanded our completion activity into pool lifesaving winning the state championships; entering an inaugural team in lifesaving competition events and re-activating our IRB racing team.

Elouera SLSC continued its strong tradition of supporting and initiating community events. As well as our regulars such as the Surf Awareness Clinic (completed its 34th year) and the Can Too ocean swim training, we ran our first surf awareness session for children with Autism, provided water safety for two Youth of the Streets activities as well as donating rescue equipment to them, signed a twinning agreement with Phuket and running a surf education session for Sutherland Council's Chou City sister city program.

The Club developed and implemented a strategic plan that will provide a road map for our future and, after much effort, finally managed to have our DA approved by Council for our building development which will provide additional storage as well as an operational café.

My sincere thanks to all involved on the Executive at Sydney Branch. Your support and counsel on various, and at times challenging, issues was greatly appreciated.

As always, thanks to Vic and Linda whose tolerance, patience and ability to assist Elouera was greatly appreciated.

Finally I would like to thank all those who have supported this club. To our many sponsors, too numerous to name here but a special mention:

- To the Sutherland District Trade Union club for their over 30 years of support.
- To all arms of government, local, state and federal whose representatives are strong and visible supporters of Elouera.
- To the sponsors of the various peak surf lifesaving bodies.
- To the patrolling members of the three other Bate Bay clubs. We worked well together, helping each other when needed in the true spirit of lifesaving
- and finally to all of the Elouera family for their efforts in keeping this great club moving forward.

Warren Smith
Executive Director

ELOUERA NIPPERS

I am pleased to present the Chairmans Report for Elouera Nippers for the last time of the 2015/2016 season.

This has been an outstanding season for Elouera Nippers with well over 500 registered Nippers. We had fantastic results in competition at 4 Way, Branch and Junior State Titles including the SRC's who graduated to patrols and the community service of SLS.

The season started with the same amount of energy and enthusiasm that our club generates with lots of support, smiles and encouragement for the start of another busy season.

With the weather in our favour our Nippers had fun on the beach and I like to stress this because unless the youngsters enjoy their time at the beach and want to return there is no motivation for parents to bring them back. If they don't return we lose the chance to lift their skills and make them safe at the beach and miss out on the important recruitment of future lifesavers.

Our competitive team continued to train hard and grow in numbers with some great results at local Carnivals Branch and State Championships. Well done to all nippers who competed and special congratulations to all who reached their finals or won medals.

At the State nipper s lifesaving championships we fielded one of the biggest teams Elouera has seen in many years. All Nippers performed outstandingly and the results for both beach and water were outstanding.

Congratulations to the entire team who proudly represented Elouera at all the Carnivals!

Thank you to all those who have dedicated their time and considerable skills to coaching and organising the youngsters in their sports and competition.

I have to acknowledge Michael Randazzo for his assistance this year in organising the work parties for Branch and our normal Sunday activities.

This continues to be an important and substantial revenue stream for Nippers.

To Julie Walmsley, Tracey Lane and amazing helpers - our thanks.

You have once again done a sterling job with our clothing supply store. At this moment I'd also like to acknowledge Julie Walmsley for her service to the clothing store, organising medals, the engraving of trophies and compiling the education statistics.

As always, increasing equipment needs is a continually growing expense and I would encourage any parent who is in a position to influence the provision of commercial sponsorship (from employer or friend) to please come and talk to Darrin Lane about how we can create value for their Brand.

As a Club we must recognize the efforts of our existing sponsors, McGrath Mazda, Mark Riley - Riley Balsa Boards and Michael & Freya Vimpany - Illawarra Blinds & Awnings - both generous

contributors. Because of these generous sponsors we are in a good position and well placed to maintain the equipment and resources that we need to deliver the training to all of our nippers next season.

To this end we will be looking for several Age Managers within each age group. Enthusiasm required; skills, knowledge and guidance will be provided if needed.

Please do not be bashful in stepping up to help support our youngsters.

As we lose the parents and Nippers of the Under 14s to the serious teenage world of Cadets we do need new parents to step forward to assist on the Committee. We do need the new 'generation' of parents to step forward and assist on the Committee or act as Age Managers.

Each of the JDC Committee members has contributed enormously to another successful season for Elouera Nippers. My thanks to each of them, In particular I would like to pay special attention to our Nipper Deputy Chairman Brett Richardson whose enthusiasm, support and tireless energy has provided the club with many outstanding opportunities, it has been a privilege to work with him again on the Committee.

Finally, my thanks to the parents who make it all possible. I trust you have enjoyed the year and that your children have learnt lots and enjoyed themselves more. I look forward to seeing you and your Nippers back here on the beach next season. Remember, you can add some magic into your life - get involved.

Darrin Lane
Chairman of Junior Development

ERA SLSC

It's hard to believe the 2015/16 Season has finally come to a close. It seems only yesterday we were raising the flags and signing on to SurfCom for the start of the Patrol Season. While we recorded more rescues and preventative actions against the previous season, we can once again report no lives were lost.

Over the past twelve months Era has continued to grow & prosper. Many of our Members reached incredible milestones, our boats returned to competition, our Juniors dominated competition in the district, and we strengthened our life saving with increased members and awards.

The season experienced higher than usual rough surf & foul weather conditions which tested our Patrol Members. Dave Staples and Jack Finney, our Club and Vice Captains ensured we were well resourced, equipped and at the ready to manage any situation that came to hand. On a number of occasions our beach was invaded by blue bottles resulting in the call out of the ambulance for serious stings. The helicopter was also called in however we were fortunate not to be as pressured as our neighbouring Burning Palms due to the now infamous Figure 8 Pools.

Our Juniors lead by Scott Pracy enjoyed another successful and exciting season. Kicking off with a team bonding weekend at Dubbo Zoo, Scott and his Age Managers worked all season developing and fine tuning the beach and water skills of our future life savers. For the third year in a row our Junior Crew took home the Royal National Park District Junior Trophy. Special mention to all our young members who represented Era at the Branch and local Carnivals.

It was wonderful to see our boats return to the water. Through sheer dedication, determination & disciplined training, they were a force to be reckoned with.

Thank you to all our Assessors and Trainers from our three Royal National Park Clubs. It's a testament of the bond between our neighbouring clubs when we combine resources to train and assess. Through the training from Ian Brand, Candice Woodward and Dave Staples we have added new SRC, Bronze and IRB members to our Patrols.

Thank you to Peabody, Club Engadine and Peter and Eva Missingham for their ongoing annual donations. Their generosity goes a long way to the development and sustainability of our Junior development.

For a relatively small & remote club like ours we don't naturally attract sponsorships like the larger clubs have become accustomed to. While we were unsuccessful this season to secure major sponsorship it was not without the exhaustive efforts from Nick Matthews who in all his spare time away from his day job, family and rowing boats, drafted proposals to prospective sponsors. We strongly believe there are companies that are a perfect fit to the remote and unique conditions at Era and we will continue to pursue them.

Many clubs and organisations would consider ten & twenty years to be an incredible milestone, however this is just a day in the life of a member at Era. Many of our Members are celebrating not just twenty, but thirty, forty and fifty years National Patrol Service this year. Last year we acknowledged Geoff Gilvear for his inspiring fifty years continuous service to our Club & Surf Life Saving. After fifty years, Geoff continues to contribute 100% Patrol attendance.

This year we are celebrating the milestone of another member. Life Member Geoff Staples has contributed fifty years of National Patrol Service to surf lifesaving.

Late last year it was with heavy hearts we farewelled our dear Life Member Walter 'Woggy' Josland. Walter was embedded in the Era Community and not only held various lifesaving awards but also represented Era in competition. He was a true character and along with his family contribute to the foundations of our Club. Woggy will be truly missed by all who grew up to know and love him.

I would like to acknowledge and thank the Management Committee for the commitment and ongoing pursuit of making our club greater each day, season after season. It's this committed and passionate group of members who contribute beyond what's reasonably required. Thank you Scott Pracy, David Staples, Petrina Howe, Kelly Weeden, Ian Brand, Narelle Koteff, Andrew Josland, Jack Finney, Nick Matthews, Shane Howe, Kate Holmes, Sharon Gilvear and Mark Wood.

Elissa Hancock
President

ERA NIPPERS

It was another great season for the Era Nippers and their parents. Once again our nipper numbers were on the increase and there was a great attendance by both nippers and their parents to all the meets throughout the year.

The December and January months were very busy for our nippers and their parents. The weather enabled us to get lots of healthy competition and training in and this really showed during the District Carnival held at Garie. Thanks again to Garie for hosting this year's district which saw some great friendly competition among the three Royal National Park Clubs. It gave me and all the parents' great pleasure to once again take out the title of District Champions and bring home the trophy.

This year also saw an increase in our nippers competing at Sydney and Wollongong carnivals throughout the year. Congratulations to Maddison, Samantha, Olivia, Charlie, Lani, Eliza, Mika, Lachy, Nate, Liam, and Fin for their ongoing competition in the junior carnivals. This year while officiating at the carnivals we got to see our nippers compete with that Era spirit. It's great to see the era colours flying again at the carnivals and it was well noted by other competitors and officials.

To our sponsors who always help support our growing Nippers, I thank you on behalf of the committee and members for your kind sponsorship. With the support from Peabody Coal, Club Engadine, Peter and Eva Missingham, Elite Physio (Kate and Cam) and of course Vodafone, your generosity this season saw the kids fully decked out in new Hooded Towels (supplied by Ohana) and new boards and other gear for the kids to utilise.

Thanks as always to the management committee for their continuing support to myself and of our nippers. To all our patrol members who have no hesitation in assisting with the nipper meets, your help is greatly appreciated.

Looking forward to another great season of Era Nippers in the forthcoming season. Thank you all and congratulations everyone on a very successful 2015/16 season.

Scott Pracy
Junior Activities Committee

GARIE SLSC

During a busy year with a wide demographic of visitors to our beach and with stretched resources, we are proud to say that there were no lives lost at Garie this season.

We had a few major rescues and provided support to emergency services to service the areas outside of our directly patrolled beach.

I would like to thank the management committee and every one of our members for their continued efforts in supporting our club.

Our club was once again well supported by visiting club members from other clubs within the Sydney Branch as well as beyond. Without the assistance of these members, Garie SLSC would have struggled at best to fully cover our patrol hour requirements

Our main event for the year is the Garie Dash. This year saw another successful "Dash" with clubs from within and beyond Sydney Branch represented. I would also like to thank Sydney Branch for their assistance and the involvement of officials with the "Dash"

Unfortunately, we lost long standing member David Hoffman this year who was an integral member of our club and recorded 100% attendance for every season since 1977.

I would also like to thank Surf Life Saving Australia, Surf Life Saving New South Wales and Surf Life Saving Sydney Branch and their sponsors for the assistance given to our club throughout the year.

See you again on the beach in September. Enjoy your winter break and best of luck to all within the Branch for a safe and successful season ahead.

Craig Lacey
President

GARIE NIPPERS

The season for 2015-2016 was an exciting year yet again. The Nippers enjoyed hosting the RNP 3 Way District Carnival with Burning Palms and Era attending and all Nippers having a great time.

Many thanks for Water Safety Marshall Paul Cooper (Burning Palms) for his efforts in keeping the Nippers wet whenever possible.

The Bundenna flat water training day was a huge success for the Nippers with a record number attending the event.

Congratulations to Ruby Austin for winning the Female Nipper of the Year and Jye Forbes for Male Nipper of the year.

Congratulations to the following Nippers for 100% Attendance.

- Max Fleming
- Jorja Stojanovic
- Charlie Carrick
- Alice Stojanovic
- Liam Stojanovic
- Jamyson Shaw
- Sienna Hastie
- Alex Fleming
- Thomas Carol
- Patrick Graham
- Jacob Steggles

Our Nippers demonstrated great sportsmanship and camaraderie typical of Surf Lifesaving. We are looking forward to starting a new season 2016-2017 with new challenges to be overcome.

Daniel Stojanovic
Junior Activities Chairman

MAROUBRA SLSC

I would like to offer my congratulations to all members on another successful season, with 'No Lives Lost' and many lives saved through the vigilance & service of our lifesavers. We should all be immensely proud of the many achievements our members have accomplished throughout the year

We continued to improve in all areas of operation especially with our lifesaving patrol teams under the direction of Gilbert Olzomer. Gilbert and his Lifesaving team of Vice Captain Matt Harper and our 15 Patrol Captains have committed a great deal of time and effort in planning, supporting, improving and expanding the capability of our respected lifesaving service. The past year has been a particularly challenging one, with the beach often only having the one flagged area to the Southern end of the promenade, leaving large areas of the beach to the North without a set of flags resulting in a many of our rescues being performed outside of the patrolled area

This season our members volunteered a remarkable 10,340 hours, performed 159 rescues, 4506 preventative actions, treated 2 people for suspected spinal injuries and conducted 1091 first aid treatments for marine stings and other injuries.

Once again an enormous contributor to our success this season was the 241 awards we were able to achieve, many of these advanced awards including the highest number of spinal Management awards in the Branch. We also achieved 32 Bronze Medallions and 27 SRC's. To our Chief Instructor, George Benhayon and his Trainers, who enabled us to gain so many awards through their many hours of commitment above your normal patrols obligations, your efforts are greatly appreciated.

Surf Sports this season saw Mark Glekis take on the role as Director and he immediately set about creating a strong emphasis on communication with his introduction of Team App. Mark has done a fantastic job this year in growing our competitor numbers. We have seen our first boat crew in several seasons and it is great to see the "Stan Baker" boat back in the water where it rightfully belongs. Lisa McGuigan, Cliff Gerathy and the other coaches, have once again done another superb job keeping our squad competitive. The highlights would have to be gaining 3 gold, 2 bronze and 2 of our Under 15's making finals at the Australian Championships, and at the NSW Championships winning 8 medals, as well as achieving a number of relay/teams placings throughout the year.

Maroubra again hosted the Sydney Branch Surf Lifesaving Championships for both Opens and Nippers and finally got a good weekend. The favourable surf conditions as well as weather resulted in a hugely successful weekend. The efforts of all who contributed over the weekend was extraordinary.

The upgrade of the club to create disabled access is now complete, with a disabled lift being installed to access the "Bill Kember Room"

and the rear area of L1, as well as the creation of a disabled toilet adjacent to the existing amenities. We would like to thank NSW Sport & Recreation for their contribution towards the funding of this project, without their help this project would still be some years away. With this component of our DA completed the club can now look to funding the construction of the Patrol Surveillance/ Training Room.

Our partner and major sponsor, the Maroubra Seals Sports and Community Club, generously continue their support of Maroubra Surf Life Saving Club and on I offer our sincerest thank you. There are many other contributors to helping us run the club and we would like to acknowledge your support. Surf Clubs do not exist without the volunteers, donations and sponsors alike and to all of those who contribute in some way we say thank you.

On a sad note, we mourn the passing of Barry Rodgers, one of our greatest Life Members and a Surf Life Saving Icon. Barry passed away after a long battle with cancer. His contribution to Maroubra over 62 years was remarkable and he was an indelible part of our club and will be sadly missed.

Finally, and not least, my sincere gratitude to our Board of Management, Alison Vuletic, Gilbert Olzomer, Craig Thorn, Arthur Cotsios, Tony Grivell, Adam Payne, David Love, and Brett Christensen for their remarkable commitment and contributions that have made the 2015 - 16 season the success it was.

David Simpson
President

MAROUBRA NIPPERS

On behalf of the Junior Development Committee, it is my pleasure to submit our Annual Report for the 2015-16 season.

Maroubra had 449 Nippers enrolled this season and I would like to thank our Board of Management, Junior Development Committee, Age Managers, Watersafety, Surf Sports officials, Coaches, and all those parents and fellow members who helped with everything that it takes to run Nippers. Without you all, we wouldn't have Nippers at Maroubra.

In particular, I'd like to thank our Chief Instructor, George Benhayon and his team of expert, enthusiastic and patient trainers.

Our strong tradition of quality surf lifesaving education was enriched again this season, with a bumper crop of 23 Rookies attaining their SRC, 17 under 12's gaining their BEC, and 29 under 11's attaining their CPR award. We also expanded on our delivery of basic DRSABCD and CPR instruction to Nippers, beginning with under 6's. We are proud to offer this sort of training and the associated SLSA accredited awards to Nippers. We believe our diligent focus on education, combined with our enthusiastic support for physical activities, is an attractive proposition for parents of potential Nippers, and of course an enjoyable pastime for the Nippers themselves.

The U11's and U13's also enthusiastically filled Maroubra Nippers' allocation of attendees at their respective Sydney Branch Junior Development Camps; where from all reports they had an absolute ball, earning the commendable praise of the organisers on both occasions. The under 11's and 13's girls deserve a special mention for their exceptional representation of our club winning the CPR challenge at their respective camps. Our dominance of this small but important event for the last three years shows that their lifesaving training has certainly been worthwhile. These development camps are invaluable for the educational and motivational experiences that they offer Junior Lifesavers in training, and we are very lucky to have them.

We had a great season in surf sports too. Maroubra Nippers and Surf Sports officials were, as usual present at every Junior Surf Carnival in our Branch, as well as a few carnivals in the neighbouring Northern Beaches Branch, and the State Championships.

Our Junior march past team, expertly coached again this season by Brian Purdon, took gold at Branch and came a commendable 7th at State. Maroubra returned to Junior R&R competition this season with an U12-14 five-person team and, for the first time in our club's history, three U10-13 two-person teams "marching on" at every available carnival in Sydney Branch, Northern Beaches Branch, as well as our Branch and State championships. In the two-person event, the Maroubra teams, in their debut season, took silver and bronze at the Branch championships. A highly commendable base to build upon indeed.

Our State Age Championship team exceeded our expectations in both numbers and performance, culminating in a highly proficient championship group of around 70 Maroubra Nippers, bringing home a gold Under 11 Girls Beach Sprint, a silver U11 Girls Beach Relay, and bronze medals Under 12 Girls Beach Flags and our U13 Boys Board Relay; with several other commendable performances in State finals. Many thanks to our expert team of watersafety, managers and coaches. A job well done.

I would also like to express our sincere gratitude to Brad Parkes of Core Mortgage Brokers, for his financial support of Junior Development at Maroubra. It is this on going support that has enabled us to provide the necessary but expensive equipment for the kids to use at Nippers.

Maroubra are proud of the way we educate our Nippers. It is also our firm belief that Surf Sports Competition and the associated training in particular, is not only healthy for children, but also builds their physical capacity and hones their skills to become Junior, and ultimately fully qualified surf lifesavers. The validity of this philosophy was demonstrated commendably when Luca Whitaker from our U10's and Leila McCarthy from our U12's teamed up to perform a fair dinkum aquatic rescue with a nipper board, of a 5 year old boy on the Saturday afternoon at the State Championships.

David Love
Director of Junior Development

NORTH BONDI SLSC

Our Life Savers can once again hold their heads high with NO LIVES LOST this season.

Like all clubs, it is with the hard work and dedication of all members, but in particular those who “put their hand up” and “dig in”, that we succeed. Being awarded the inaugural Sydney Branch Club of the year is testament to the hard work by all at North Bondi and I personally thank them for it.

Our core role is Lifesaving and to that end Thierry Forest, our Head of Lifesaving and Club Vice Captains, Richie Barel and Doron Milner along with the Patrol Captains, Vice Captains and IRB Drivers and Crew have once again worked to ensure our Beach is safe, and we thank them for their community service. We are in very good shape when it comes to life saving, with two Branch Rescues of the Month - one going on to win both State and National Rescue of The Month awards, not to mention winning U19 Branch Life Saver of the Year award, Volunteer and Patrol of the Year award. I know the whole Club is proud of the efforts of our patrollers. In addition to this, we conducted some outreach patrols and also assisted other clubs with some gear donations. This season saw a rise in rescues across the Branch.. Rescues increased to 496 and Preventative Actions to 3888. We also performed 502 various First Aid incidents and reunited 33 lost parents with their children.

Our community events were again successful - the weather this season was more on our side. Both the North Bondi Rival Rough Water Swim and the North Bondi Classic Ocean Swim were held in near perfect conditions and the Bondi BareFoot run post-season was reasonably well attended with number slightly up on last season. All events raise funds for us to maintain our service to the public.

Paul Hotton, in his first year as Head of Education, has exceeded all expectations. Paul was awarded the Club's Member of the Year last season (2014/15) for the outstanding job he did behind the scenes but taking on the Head of Education role was a big step which he has not only handled, but excelled in. With some strategic changes in direction this season and a focus on further and higher awards, we achieved a total of 298 Awards. 170 being further awards, with the introduction of 76 new Bronze Medallions and 52 SCR Awards. These results could not have been achieved without Paul's dedicated team.

The Youth Section of the Club is headed by Jim Walker. As most would know Jim has been one of the Club's most outstanding athletes for over 30 years, always leading from the front and passing on 3 decades of lessons learnt to our young members. There is no guessing why this section goes from strength to strength. With assistance from others, the youth are leading the way in in many areas - Life Saving, the Education Team and also Competition. Their results all season were outstanding, in particular the girls!

The Surf Sports section is headed up by Andrew Christopher and it is a credit to him, Head Coach, Scott Thomson, all other coaches and supporters who are there not only to coach, but also mentor and encourage all our competitors from Masters to Nippers. The

area continues to grow from strength to strength. The Masters had an outstanding season, finishing 2nd at the NSW Championships to our arch rivals Bondi SBLSC. They competed at most carnivals throughout the season and this season like last this section continues to grow in popularity with James Isbel managing the Masters. The open competition saw 7 Golds for the second season in a row, followed up by 2 Silver and 1 Bronze, not to mention many Finals at the Australian Championships alone. The stand out was Lizzie Welborn. Making the Nutri-Grain series was no doubt a highlight for all and all young athletes across the Branch. Lizzie continues to not only compete at the highest level but also inspire young and old athletes alike with her determination and drive to succeed. However she needs to keep trying hard with many of the younger ones nipping at her heels.

Nippers continues to grow and improve season after season, with nearly 1000 nippers registered and large numbers competing throughout the season. This area is headed by Jim Walker and assisted by Melissa Hamilton and their team, it continues to grow and improve. It is a huge logistical undertaking to have this many kids on the beach on Sunday mornings and I know Jim and Melissa would want to thank all the age managers and assistance for their efforts during the season for ensuring that the kids not only have fun but are safe and are learning vital surf skills for the rest of their lives.

With planned growth into even more areas of competition, not to mention Lifesaving Education and other areas of the club we are looking forward to next season.

Mark Cotter
President

NORTH BONDI NIPPERS

The North Bondi nipper community had an outstanding year which was evident at the State Titles where we climbed 9 places to finish an overall 11th place. This was mainly dedicated to the environment we created that develops belief. Belief in one's self.

Our dedicated coaches generously gave their gift of time to build our community and it's spirit. Their support, encouragement and humour encouraged our nippers team to push that bit harder and be the best that they can possibly be.

We had 103 nippers represent North Bondi at the State Titles and each and everyone of them performed to the best of their ability and were rewarded with their deserved success. Some outstanding achievements were:

- Gold – U13 Girls Flags
- Gold – U10 Boys Beach Relay
- Silver – U14 Girls Sprint
- Silver – U13 Boys Flags
- Silver – U11 Girls Board Relay
- Silver – U10 Girls Sprint
- Bronze – U11 Girls Ironperson
- Bronze – U9 Boys Board Relay

Our education team worked exceptionally hard and saw 94 candidates successfully complete their SRC (CPR endorsed). It is fantastic to watch our nippers flow through into the senior part of their club and continue to grow within the North Bondi Community.

Finally, we SUCESSFULLY completed our missing nipper drill. There were many relieved faces when our submerged nipper was returned to shore in under 2 ½ minutes. Whilst this was very successful, we have formed a team to further improve our skills in this exceptionally important department.

We had an enormous number of volunteers this season, largely in the capacity of Age Managers. We realised that you can say thank you a million times, but if people sense that their efforts are wasted, they will never feel good about their volunteer work. This year, I think they realised what a profound impact they had on the children in their age groups and felt that their ideas were being shared with others within the North Bondi community.

I wrapped up our presentation night by saying that, “ten years from now no one will remember that wave you missed, the baton you dropped, or that you missed a can in the swim, but everyone will remember the impressions you have made, the relationships that you built, and those great moments that come along with being a nipper at North Bondi”.

Our community grew stronger over the 2015/2016 season and everyone wore the red, chocolate and white with pride.

Melissa Hamilton
President of Junior Development

NORTH CRONULLA SLSC

My first order of business is to report with great pride that “No Lives Lost” at North Cronulla beach during the 2015 to 2016 patrol season. the motto of our club is “Vigilance and Service” and once again the Club and our members have delivered another season of volunteer service to the community and vigilance by providing and managing the patrols and lifesaving activities on North Cronulla beach.

I extend a very personal “Thank You” to every Club member who performed their rostered patrols from our Patrol and Vice Captains, IRB drivers and crews, to all our volunteer patrol members who donated their time to keep the surfing public safe at North Cronulla this season

Our current Club Management Plan (CMP) 2012 – 2016 is in the final year of operation and we continue to develop and expand our capabilities across the 5 key functions of Surf Life Saving & Patrols, Training & Education, Surf Sports, Administration & Finance and Community. A new CMP will be developed to incorporate changes made with the adoption of our new constitution in May 2016.

One of the strategic goals of our CMP is to “provide opportunities to develop and support our club members and recognise their achievements” and we can proudly report that we have nominated, supported, endorsed and formally recognised many of our members so they can attend and experience the different Lifesaving, Training & Education, Development, and Competition programs that are available to our members over the last four seasons.

Some of the highlights and milestones included:

- Volunteered over 13,900 patrol hours, performed and recorded 170 rescues and over 1900 preventative actions;
- Trained and educated our members with 540 awards including 35 SRC, 60 Bronze Medallions, 7 IRB Crew Certificates and 14 Silver Medallion IRB Driver;
- 30 Members represented SLS Sydney, SLSNSW or SLSA in various teams and competitions and 115 members won at State or Australian medal over the season;
- Gained Quality Club Bronze certification from SLSNSW;
- New constitution adopted by members on 29th May 2016;
- North Cronulla Christmas Carnival now in 36th season;
- Supported over 3500 children in local Council Lifeguard Surf Education program;
- Successfully hosted final rounds of Nutri-Grain Iron Man and Iron Women series;
- North Cronulla SLSC Iron Person Classic held on Australia Day now in 26th season.

Our members were also represented at the Sydney Branch Awards of Excellence with the following results:

- Lifesaver of the Year – Kane Hughes;
- JD Male Life Saver of the Year – Michael De Francesco;

- Branch Member of the Year – Joel Wiseman;
- Under 19 Male Athlete of the Year - Oliver Hoare;
- Team of the Year – SLSS Duty officers (Kane Hughes and Joel Wiseman team members).

This season we also would like to acknowledge the support of Sutherland Shire Council, Ward A Councillors and staff as they worked on much needed building repairs at the club and their ongoing support on Project Phoenix which is the proposed redevelopment of existing club gear complex, café and club and council facilities.

The same acknowledgement is extended to our club sponsors and supporters across all levels of government because without their financial support the club could simply not achieve its goals, support our members and provide the level of lifesaving service to the community.

We extend our Thanks to the team at Sydney Branch management team as they work through the changes they are implementing at the Branch functional and operational levels and especially to Linda and Victoria for your administrative support of the past season.

In closing, I would like to thank and congratulate all the surf life saving clubs and their members in Sydney Branch for your dedication to your core duties of lifesaving and patrols, developing and training our members for the future challenges and keeping the community safe.

Craig McKinnier
President

NORTH CRONULLA NIPPERS

North Cronulla continued with our Sunday nipper program of water time, beach time and our weekly education programs. We have had 383 Surf Education Awards issued which range from under 6 through to Under 13’s which is a great achievement, 12 new Age Manager awards were awarded this season to our squad leaders so 12 more qualified parents on the beach every Sunday. We had 34 - Under 14s obtain their Surf Rescue Certificate which is an awesome effort.

I was very lucky to join our Youth Director Monika Di Maio and take a number of Under 14s to Wet n’ Wild Sydney to partake in the Nipper program where the under 14s provided water safety. these under 14s showed great maturity and showed great leadership – I can’t wait to see where they will lead our club in the future. We have a number of the Under 14s returning next season to assist the nippers.

The Australia Day Ironperson Classic was held at our beach this year and what an event it was, we had record numbers enter which was fantastic to see. I would like to thank our Carnival Referee Kevin Mcnamara and his Deputy Daniel Makovec for running such a great carnival. Again Thank you to our wonderful sponsors Rip Curl. We also thank Sydney Branch Surf Sports Committee for their continuing support of this event.

This year we had two finalists in the Sydney Airport Branch Age Championships Junior Life Saver of the Year (JLOTY) which is great for North Cronulla – Elizabeth (Liz) Smith and Michael De Francesco. Michael was named Sydney Branch JLOTY it was great to see both Michael and Liz have such a large number of supporters around to watch the announcement at the branch carnival. these two are going to make wonderful patrol captains one day North Cronulla.

North Cronulla Nippers welcomed a new major Sponsor ‘Smile Design’. We wish to thank Michael and his team for the support they have given us this season and can’t wait to continue our relationship into the future. Nippers wishes to thank Samos Plumbing Supplies, Canterbury, Johnston Packaging, Kozii, Toll and the Caringbah for your support. This season we were able to purchase new boards with the funds that you have given us. I want to give a very special thank you to the Team from Paragon Plumbing your ongoing support to North Cronulla nippers is wonderful and we wouldn’t be able to be as successful as we are without the support you give our nippers daily.

A special thanks to all North Cronulla Coaches, officials, Water Safety members and Education team; without your help we would not be able to send so many kids to carnivals or run our Sunday nipper program. Your ongoing support to these nippers is outstanding. It’s great to see so many children enjoying the water, beach and education programs we have to offer at North Cronulla.

To the North Cronulla Board of Directors thank you for the support and guidance, you have given our section this season. To the Nipper

Committee - the Nipper Executive (Myself, Brook Fleming, Dave Waugh and Rebecca Sharpe) are very thankful for all your hard work and dedication over the past season. It has made our job on the Nipper Executive so much easier. Thank you to Sheridan and Glenn-Marie in the office at North Cronulla our Committee really appreciates your assistance.

I would also like to thank the Sydney Branch Junior Development Committee for ensuring that Sydney Branch Nippers is the best in the state. Having such a large number of people being able to meet throughout the season to exchange ideas is great. This would not be possible without the assistance of the Branch Administration staff Victoria and Linda, North Cronulla nippers’ thank you both for your help this season.

Donna Hargreaves
JAG Director

SOUTH MAROUBRA SLSC

As another season draws to an end, we once again complete our annual commitments knowing that our community has been served well by South Maroubra volunteers with 'No Lives Lost' in the lifesaving arena and a substantial commitment to community engagement with a range of different events completed through the course of the season.

During the course of this past season, our club managed to fulfil all lifesaving patrol commitments, continued to build and grow our lifesaving numbers and skills, purchased improved equipment in support of our mission of providing a quality service. Our club once again hosted events including our highly popular Octoberfest and Sportsman's Day, we successfully ran our annual Junior Sports Carnival, supported a number of internal fund raising events and to finish what has been a full on year, conducted an IRB State Competition Round in June. Wow, where did the year go?

To an overview of our lifesaving season, I can report this year South Maroubra SLSC achieved the following lifesaving results.

Total Rescues 159, First Aids 483, Preventative Actions 2115, Beach closures 19, Ambulances 2, ident reports 4, Total Awards - 134.

I take this opportunity to thank all of our Lifesavers in particular the leadership group including, Instructors, Patrol Captains, IRB drivers and crew and of course the Lifesaving Committee. Our clubs goal next season will be to continue the good work of improving numbers and capability along with developing our leadership group who remain critical in their efforts to continue to grow this most important section equipping them with skills, equipment to do the job, commitment and discipline.

It's also appropriate in this report that I acknowledge the great work of our other sections including our Competition Section who are in the process of rebuilding. Our Masters are on fire led by our Masters in the boats and on the land, with medals aplenty during State and Aussies. Our IRB competition section is in the process of transition between one generation to another. This large group of members continue to thrive in winter competition and have even taken on the challenge of assisting other neighbouring and interstate clubs to enter the IRB competition arena. Well done to you all.

My message to all Clubs in Sydney Branch is to take a leaf out of our IRB Competition Group's book and help your neighbours to develop their summer sports capability by offering to develop their coaches or athletes. If we don't lend a hand then slowly but surely surf sports will die a natural death. I encourage each club to think what they can do to assist others in competition.

To our Nipper Group, from leaders to the kids, thank you for your participation, you are the future leaders and lifesavers of our club. How great is it to see the parents come on board and join in the clubs activities eventually to become those in leadership positions. I take the opportunity to thank all of our Competitors in Nippers and Coaches who are inspirational and hope of the side. Over the

past 4 or 5 years or even longer our club has featured on the top 10 competition clubs within the state of New South Wales, what a wonderful effort.

In concluding this report I would like to thank a number of people who have been critical to the success of our club this past season. To the entire Board of Management including Linda, Yvette, Damien, Marcello, Victoria and Phil thank you for your leadership and commitment. To all subcommittee leaders of which there are too many to personally mention, thank you. To our Caretakers, Licensee, Admin staff, tradies that help so often to fix things around the club, thank you, we couldn't operate without your help.

To President George and all the Sydney Branch crew, thanks for your support of our club and work throughout the Branch and importantly to all of our Club Sponsors we thank you for your community support, special mention to Souths Juniors and Maroubra Seals and Community Club who have been so loyal and community focused to not just our club but so many community groups within our area.

Finally I end this year's Branch Report by extending South Maroubra SLSC's deepest sympathy to the family, friends and fellow lifesavers at neighbour Maroubra SLSC on the passing of Lifesaving Legend and good friend of our club **Mr Barry Rogers** who sadly passed away recently. Barry demonstrated the qualities of what it means to be a good neighbour, a good bloke and a great lifesaver. RIP Barry, you made a difference!

Paul Fownes
Chairman

SOUTH MAROUBRA NIPPERS

Another great season for our young lifesavers in training at South Maroubra SLSC. We welcomed over 620 young nippers & their families to participate at our program during the 2015/2016 season. Aside from delivering the nipper program, we also delivered several training courses during the season & graduated into our senior ranks a group of highly competent lifesavers (SRCs). South Maroubra SLSC is proud to be able to produce such a great group of young lifesavers, which are also a great asset to our community & club.

In regards to our members participation & engagement; although our numbers slightly decreased this season, the engagement, participation & enthusiasm of our nippers & parents was second to none. The professionalism & commitment of our Age Managers & their support team (our Beach Crew) ensured the program was successfully delivered whilst maintaining a high level of engagement & enthusiasm within our groups & families.

Education & development of our young members & family is a key to the success of our program. During the past season, we delivered a number of training courses, with a number of our nippers attending & representing our club at the Junior Development camps.

Education

From 620 registered Nippers:

- 497 achieved their age appropriate Surf-Education awards
- 32 U12s/U13s passed their Resuscitation Certificate
- 19 U13s/U14's completed their SRCs & are now on active patrols

A number of our future young leaders from the U11s & U13s represented our club at the Sydney Branch Nipper Development camps. They learnt valuable leadership skills whilst furthering their lifesaving skills, all delivered in a well organised program.

As for our parents:

- A large number completed their BMs/SRCs, all doing active patrols & water safety
- Several parents received their L1 official award
- Several completed their IRB certificates (Crewman/Driver)
- 50+ completed their Age Managers course

Competition

We proudly represented our club at several events across the Sydney, Northern & Illawarra Branches.

At the State Championships; we were represented by 50+ talented athletes, they participated & competed in friendly & fair manner, placing 10th in the State.

Third year in a row that South Maroubra Nippers has placed in the top 10s at State Level, an amazing achievement.

Fantastic work of the management team & coaches & a magnificent effort by our athletes... Well done!

Acknowledgements

To my family, I thank you for your unconditional support, love & patience.

Thanks to my nippers & parents, remember, you are the key to the success of our program.

Big thank you to the members of my Committee from Executive, Nipper, Coaching to Support teams, as well as my fellow Club Directors. Thanks to the nipper's partners RAMs Sydney South East & Healthy Smile Centre.

Thanks to the club's major partners Maroubra Seals Club, the Juniors, R & Wick City Council, Botany City Council & the NSW Government. To the local businesses that supported us - namely Look Design, Substrate & the many businesses that supported us during the past season.

I'd like to acknowledge those within Sydney Branch for their ongoing support to our club, being supporting our Junior Carnival, at carnivals, jet ski/IRB support or via administration in general. Thanks to the JDC & Sydney Branch SSC for their commitment & support to the Branches EAP, Dev & HP squad activities.

It is an honour to be part of such a great club as South Maroubra SLSC & be able to contribute to the success of surf lifesaving & the program.

Marcelo Garay
Director of Youth Development

TAMARAMA SLSC

As always I am proud to say we have continued our tradition of 'No Live Lost'. I would like to thank all the members of the Club that have made this season a successful season. This can only be attributed to the hard work and dedication of all our members. I want to thank all those who made their patrols on time come rain or shine. I want to thank all the patrol captains and the members of the IRB crews that make the extra effort and give up many more weekends than most of us and moreover I want to thank the members of the committee that make the extra commitment each year to help run the Club. We have a long and envied tradition that we can continue only with the effort everyone puts in.

I welcome our new members of the Club that completed their bronze this year. We look forward to seeing you on the beach next year. Thanks goes to our dedicated team of trainers who give a large amount of their free time to help get our new members to their bronze medallion. It is great to see so many new faces in the Club and I encourage you all to get involved as much as you can. the Club has much more to offer than just patrols; we encourage all members to get involved around the Club in various activities or to compete for the Club at Surf Carnivals. This year we had several members competing and special mention should go to Kurt placing and to Margie for medalling at the State titles.

The renovations continue to make headway. the building committee driven by Mike Turner has done an impressive amount of work on the detailed design phase of the Club's renovations. We are basically at a stage where we are ready to go to market when we have raised the balance of the funds, somewhere in the vicinity of another \$3-3.5M. After all the expenses for our architects and related experts, we have currently over \$1M left in pledged funds and allocated grants. This leads into my next warm welcome to Andrew Farley.

We have brought Andrew in to take over the next phase of our fund-raising effort. It was not the seamless transition we had hoped for, but the Management Committee felt it important that we take the time to get the right person for this phase. Andrew brings a wealth of experience with him having most recently finished up in the Territories raising much needed funds for the Indigenous Football dealing with many senior executives to get the results. Andrew also brings a passion for his work and our cause that will hopefully lead to us being able to start the works in 2017. This is a critical stage for us as a Club and so your support for Andrew and his work is very important.

Bill Shires
PRESIDENT

TAMARAMA NIPPERS

The 2015-16 season proved to be another interesting season, marked by the most difficult and frustrating conditions experienced in recent memory, requiring the team to improvise when it came to being able to get our Nippers in the water. Out of a total of 15 weekends of activities, Tamarama beach was only open on one occasion.

First day for Nipper activities for the season was 11 October. We continued to focus on the SLSA Surf Education material as the foundation of our program. For the most part we were blessed with good weather, but cursed with continual large surf on all but one weekend of the season. Realising the magnitude of the problem early in the season, I spoke with my counterparts at Bronte and negotiated access to the Bogey Hole from 10am for our Nippers and we rotated age groups throughout the season. At the suggestion of one of our Nipper parents, we engaged Barney Quinlan from Little Heroes to work with our Age Managers at Tamarama on two weekends and at Bondi Icebergs on four weekends. A huge thanks to Paul Watchman from Bronte Water Safety for accommodating us at Bronte and to Barney for teaching our Nippers and Age Managers new skills for working in the surf.

In 2015-16 we trained a further six Age Managers.

I'd like to thank the Age Managers and assistants for their relentless efforts during the season, turning up, every weekend, rain, hail or shine to work with the Nippers. the Age Manager Group this year was:

- Danielle Forest & Bill Shires U13/14
- Jon Veals AND Guy Waddell U11/12
- Gary Hunt U10 (ably assisted by Ken Powell)
- Jo Miller U9 (ably assisted by Derek Bagatourian)
- Neil Smith U8
- Kim AND Tony Kench U7
- Shay Deguara & Kate Brunton U6

Thanks to the efforts of the Age Managers, 50 of our Nipper group achieved their Nipper Age Awards in 2015-16. While we have been providing CPR training to our Nippers for several years, 2015-16 was the first year we have formally had a group assessed for the SLSA Resuscitation Award. Oliver, William F, William L, Matthew, Orlanda, Monique and Eleanor all qualified for this important award.

Again the senior club supported skills development and water safety throughout. Thanks to our Club Captain, Sandra Fox for her support, Sunday morning Patrol Captains (Sandra, Michael and James) / patrolling members and importantly the SRC group who were on hand each week.

On the competition front, Tamarama Nippers was active, with the annual Australia Day Challenge being held at Clovelly – a huge thanks to Lee and the crew at Clovelly for hosting us for what was a fantastic morning of competition (in the water!).

A team, lead by Jon Veals attended the Waverley Shield at Bondi – thanks to "Shotgun" Jon (sprints starter) and congratulations to all competitors – Tily T, Ben S, Felix M, Frankie S, Luci L and Wil C for representing Tamarama so well.

Tamarama Nippers sent a team to the U11 Sydney Branch Junior Development Camp. Bruce Bouchard led our representatives who included Monique B, Lilly P, Orlanda G and Oliver H). the camp focuses on teamwork, leadership and skills development within and beyond the Surf Life Saving framework. Thanks to Bruce (who is also obtained his Bronze Medallion this year) for giving up his time to supervise.

The season concluded on 6 March with our presentation day. Major award winners for 2015-16 were:

- Oliver Hunt (from U12 group) - Nipper of the Year
- William Forrest (from U13 group) – Best and Fairest

Thanks to all parents who donated their time, effort and resources throughout the season to make the program work as well as it did and to ensure that all our social functions were well run and provisioned.

On a final note, I'd like to extend a huge thanks to Doug Hawkins and the team from Sydney Branch Junior Development who keep us all informed, motivated and inspired to work with our Nippers in a safe, inclusive, and informed way.

Guy Waddell
Junior Activities Representative

WANDA SLSC

Wanda and all its members had a busy but, rewarding year. As always, keeping our beach and its surrounds protected and safe for the public, our visitors and our club members is our main priority. Several new patrol captains took control of our beach and did an amazing job. All our captains, vice captains and patrolling members should be enormously proud of their efforts. I noticed a general improvement in the standard of all our patrols as the year went on. We will continue to build on this. It is our core activity.

the year was difficult in many areas due to the changing of so many directors at one time. Some people thought that this was a negative aspect. Personally, I believe it is healthy to have so many people wanting to become directors and to have a greater say within the club.

In several sections, no handover was offered so we had to start from scratch, finding our own way as we went along.

Educating our members, new and old, is a pivotal requirement of any surf club. Luckily for Wanda, our Club Captain, Ken Smith, and Lifesaving Director, John De Cean, stepped up. Not only did they do their own, already, big roles, but they also covered the education area as well. The efforts of both these guys throughout the entire season was fantastic, thank you!! Many other Wanda members were involved, in particular, Jo Handforth, Karen Ross, Sam Axiotis, Brett Atkinson, David Phillpot, Solly Stephens and Mick Brannock. A huge thanks also to Elouera Surf Club, in particular, Peter Carney, Jason Gollan from North Cronulla SLSC, District Supervisor, Steve Urquhart as well as Branch Education Manager, Marissa Saunders for their support and tutorage. As stated, we had no Chief Training officer but due to the efforts of all the above, somehow we won the Sydney Branch Award for most awards in 2015-2016. This is an absolutely amazing effort by these people. Congratulations!

In competition, it was a spectacular season through the efforts of many people, in all sections of the club. Many new and innovative ideas were put in place. The training was extremely well structured, organised and communicated. All sections were encouraged to train together in the gym, on the beach and in the water.

Whilst I applaud all our champions at Branch, State and National level, all competitors whether they be JAG, Youth, Seniors or Masters, should be congratulated for their efforts. All areas wore our colours with pride. We had record numbers competing, and in all areas. I have been amazed over all the sections, at the level of commitment to training and competing together as a club.

This year we moved our annual carnival from January to April. This was a resounding success with over 28 clubs, 650 competitors entered. This was the biggest carnival in Sydney Branch in years. Whilst this opportunity was a one off due to the gap between the State and Aussie carnivals, our carnival

committee of Greg Pierce, Greg Allum, Tait Brannock and Rod Holdsworth took the punt. It was a marvellous success – thank you all. Thanks to the Sponsors of our carnival - Tradies and TJM Southside.

Thank you to all our many Wanda sponsors. We are extremely fortunate to have so many sponsors who contribute to our club. Many have been long-time supporters. Wanda would not be able to operate as affectively as we do, if we didn't have their valuable support.

The PAYCE Sutherland to Surf is again being run in July. This is our major fundraiser. Thank you to our organising committee again headed by Mick Brannock, Anne Catterson and Trevor Elliott.

I wish to thank the other Bate Bay clubs, especially their Presidents and the District Council.

Congratulations to the Wanda members who represent Wanda at Branch level, including John De Cean, Ernest "Solly" Stephens OAM, Greg Pierce, Tracy Green and Trevor Elliott.

Thank you to Victoria and Linda for their patience, assistance and input when requested.

Lastly thank you to George Shales and his hard working committee for supporting Wanda and myself through this very busy year.

Mark Sargeant
President

WANDA NIPPERS

The 2015/16 season at Wanda Nippers has been memorable, the army of volunteers have been truly inspiring, giving me confidence that the club's future is in very good hands.

Firstly I'd like to thank the Wanda Board for their support of the Nippers, in particular President Mark Sargent.

This season – Mother Nature tested us, with multiple beach closures with just one Sunday of water activities. Through the hard work of the committee & the imagination of our Age Managers, we endured & the kid's smiles never waned.

With reference to our 3 year plan;

1. LIFE SAVING AND SURF EDUCATION:

We continue to refocus on lifesaving education this year & I sincerely thank Ken Smith, Jo Handforth, Karen Ross & David Philpott for their passion & commitment.

- 30 nippers - gained their Surf Rescue Certificate (SRC) and started patrols
- Three nipper parents completed their Bronze Medallion.

2. SURF CONFIDENCE PROGRAMMES

Our plans to advance this section were thwarted by the conditions this season, but not the dedication of Nat Buckley and her band of helpers – especially Sarah Brown, Emily Eaves, Jed Buckley and Abby Adams.

3. BUILD ON OUR STRONG COMPETITION FOUNDATIONS:

Led by Head Coach Ian 'Rossi' Ross - there are too many highlights from our surf sports team to mention them all. Here's a few:

- Jock Athletic and Tyrone Courtney's beach program.

Arguably the most qualified beach coaches in Australia, our program continues to grow

- R&R.
- Thanks to JD, we had another team of girls compete at state & they improved out of sight.
- Zane Holmes Wave Warriors and Matt Poole Iron Man Clinic.
- We insist that Wanda kids deserve the best & these 2 experiences were terrific examples.
- Nipper Holiday Camp.
- Thankyou to Karen Ross for organizing a terrific holiday experience for the kids.

Sporting Results Were Outstanding.

Wanda Nippers excelled. It started at the NSW Pool Rescue Championships & concluded with an overall 2nd in NSW. The highlight were medals in the Blue Riband events. Gold Medal in the All Age Board Relay and Bronze in the All Age Sprint Relay. A special mention to Mia Ross Club Captain – who has become the greatest State Titles point's winner in the history of Wanda Nippers. Well done Mia.

Sporting Awards Were Well Earned:

Hard work, dedication and commitment to excellence paid off at

the Sydney Branch Awards. Fletcher Warn, Jade Tattum, Riley Dixon, Mia Ross were all awarded athlete of the year for their respective age groups. Jake Sullivan & Tilly Handforth were highly commended.

A special mention to Mia Ross and Kiera Warn who won Team of the Year in taking out both the U14 & U15's NSW Board Rescue Championship, they then went on to claim 2nd at the Australian Championships.

4. KEY ENABLERS:

Compliance. Managing a high risk environment requires an all of club & vigilant commitment to the safety and wellbeing of our kids. Thanks to our Child Protection Officer Paul Oliver, Head Of Compliance Andrew Cole and everyone involved in Water Safety, IRB & of course our Age Managers.

Parent Army. No egos – just a hard working & dedicated team. A big thank you to my committee – who lead the way in volunteer sports administration & are regularly lauded for their professionalism & high standards.

Financial Security. Our fundraising, BBQ, and sponsorship revenues led us to be able to deliver 100% of the plan for the kids. Special thanks to Gary McNamara for his efforts here.

Sponsors: Thanks to our major sponsors Ansto, Boost Mobile, AJ Grant, Purnell Motors, & the many secondary sponsors who support our kids in lifesaving.

I know of no other environment where kids have fun, whilst learning important life skills & make lifelong friends as Nippers. I'm proud to have been associated with it, and privileged to have been the Nipper Chairperson of such a fine club.

Ian Blackhall

DIRECTOR OF FINANCE

It gives me pleasure to present to you the audited financial report for the 2015/16 season. This season we are showing a profit of \$243,000.00 which is an increase on last season and is due to the surplus rent going into the loan account. We will be drawing this down soon to pay another \$100,000.00 off the loan.

This season we were able to keep charges to the clubs at the same level as the last four years and it is envisaged that there will be no big increases in the coming season. The expenditure has again been controlled at board level with all purchases approved by the board as required during the season.

We have also seen the donation from UPS being spent on the development of a new app for rock fishers which will be launched in the coming months. The development of this app has put us ahead of other Branches with our innovations on trying to reduce drowning of rock fishers in our area.

This season we have been working on the way we present the financials to the officers and the Branch Council and following advice from the Auditors, we have reduced the list of accounts and now produce reports for each section which shows their income and expenditure as well as graphs which are produced monthly for the Board and bi-monthly for the Branch Council. We will continue that again this season to further develop our reporting on accounts.

We are currently working on reducing the number of debtors and we will be introducing some changes to carnivals this season, which seems to be a problem area resulting in getting money in on time. I would like to thank our major sponsors Streets Ice Cream and Sydney Airport Corporation for their continued support. Special thanks also to UPS, DHL, Telstra, the NSW

Government, Surf Life Saving Australia Ltd, Surf Life Saving NSW Ltd and our local governments for your continued support to Surf Life Saving in all areas.

My sincere thanks to Victoria Raymond for all the work she does in ensuring that the accounts are presented in a very professional manner. The accounts are presented each month to the Board and Branch Council.

Thank you to our staff Linda Perrin and Victoria Raymond for all your support and assistance during the season as well as Peter Pearce and Trevor Elliott, who are the members of the Finance and Compliance Committee, who meet every 3 months to discuss our financials and ensuring that we are tracking within budget.

May I conclude by thanking my fellow Board Members for your assistance in ensuring that we stay within budget and making sure that we are meeting all our requirements. Finally a big thank you to the members of the Branch Council for your support as well.

John De Cean
Director of Finance

Surf Life Saving Sydney Incorporated

Net Cash Flows from Operating Activities.		332,990	171,329

Notes to the Financial Statements For the Year Ended 31 May 2016

1 Summary of Significant Accounting Policies

(a) Basis of Preparation

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act (NSW) 2009 and Associations Incorporation Regulation (NSW) 2010. The committee has determined that the not-for-profit entity's is not a reporting entity, as there is unlikely to exist users who are unable to command the preparation of reports tailored so as to satisfy specifically all of their information needs.

The special purpose financial report has been prepared in accordance with Australian Accounting Standards (including Australian Accounting Interpretations), and other authoritative pronouncements of the Australian Accounting Standards Board.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets. Cost is based on their fair values of the consideration given in exchange for assets.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report:

AASB 101 Presentation of Financial Statements
AASB 108 Accounting Policies, Changes in Accounting Estimates and Errors
AASB 118 Revenue
AASB 110 Events Occurring after the Reporting Period
AASB 1031 Materiality

(b) Property Plant & Equipment

Property Plant and Equipment are carried at historical cost less, where applicable, any accumulated depreciation. Individual items costing less than \$300 are expensed immediately through the income statement rather than capitalised on the balance sheet

The depreciable amount of all property, plant and equipment is depreciated over the useful lives of the assets to the Club commencing from the time the asset is held and ready for use

The building in which the association is suited is valued in the accounts at \$505,266. It is anticipated that this value would not be realisable in the event if the termination of the lease.

Assets excluding leasehold buildings are depreciated over their lives utilising the following rates:

- Buildings	2.5% - 10%
- Plant & Equipment	7.5% - 40%
- Trailers	15%

Building improvements are amortised over the estimated useful lives.

(c) Cash and cash equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short term highly liquid investments with original maturities of three months or less.

Notes to the Financial Statements For the Year Ended 31 May 2016

(d) Income Tax

The Association is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

(e) Revenue and Other Income

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the entity and specific criteria relating to the type of revenue as noted below, has been satisfied.

Revenue is measured at the fair value of the consideration received or receivable and is presented net of returns, discounts and rebates.

- Sale of Goods: Revenue from the sale of goods is recognised when control of the goods has passed to the buyer, the amount of revenue can be measured reliably and it is probable that it will be received by the Club.

- Rendering of services: When the outcome of the transaction involving the rendering of services can be estimated reliably, revenue associated with the transaction is recognised by reference to the percentage of the services performed.

- Interest Revenue: Interest revenue is recognised as revenue when received.

- Member Subscriptions: Member subscriptions are recognised as revenue when received

All Revenue is stated net of the amount of Goods and Services Tax (GST)

(f) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

(g) Employee benefits

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave, long service leave and termination benefits when it is probable that settlement will be required and they are capable of being measured reliably.

Cash investment accounts	342,706	334,669
Cash At Bank - General Accounts	383,528	255,018
	<u>863,779</u>	<u>738,146</u>

6 Trade and other receivables

CURRENT		
Trade receivables	33,762	43,985
Other receivables	(921)	(100)
Accrued income	1,673	1,886
	<u>34,514</u>	<u>45,771</u>

The carrying value of trade receivables is considered a reasonable approximation of fair value due to the short-term nature of the balances.

The maximum exposure to credit risk at the reporting date is the fair value of each class of receivable in the financial statements.

Declaration by Members of the Executive Committee

The Executive Committee of the Surf Life Saving Sydney Incorporated has determined that the Association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies described in Note 1 to the financial statements.

In the opinion of the Executive Committee:

- (a) the financial report gives a true and fair view of all income and expenditure of the Surf Life Saving Sydney Incorporated with respect to fundraising appeals;
- (b) the income statement gives a true and fair view of the state of affairs with respect to fundraising appeals;
- (c) the provisions of the Charitable Fundraising Act 1991 and the regulations under that Act and the conditions attached to the authority have been complied with;
- (d) the internal controls exercised by Surf Life Saving Sydney Incorporated are appropriate and effective in accounting for all income received and applied by the organisation from any of its fundraising appeals;
- (e) the financial report as set out present fairly, with respect to fundraising appeals, the financial position of Surf Life Saving Sydney Incorporated as at 31 May 2016 and its performance for the year ended on that date in accordance with Australian Accounting Standards and other professional reporting requirements as described in Note 1; and
- (f) at the date of this statement, there are reasonable grounds to believe that the Surf Life Saving Sydney Incorporated will be able to pay its debts when they fall due.

This statement is made in accordance with a resolution of the Executive Committee and is signed for and on behalf of the Committee by:

.....
Mr John De Ceon

.....
Mr George Shales

Dated this 7TH day of July 2016

Independent Audit Report

Scope

We have audited the accompanying financial report, being a special purpose financial report of Surf Life Saving Sydney Incorporated, which comprises the statement of financial position as at 31 May 2016, the statement of comprehensive income and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and a declaration by the Executive Committee.

Executive Committees Responsibility for the Financial Report

The members of the Executive Committee of the Surf Life Saving Sydney Incorporated are responsible for the preparation and presentation of the financial report and have determined that the basis of preparation described in Note 1 to the financial report are appropriate to meet the requirements of the Charitable Fundraising Act 1991 and the Associations Incorporations Act NSW and are appropriate to meet the needs of members.

The Executive Committees' responsibility also includes designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial report is free from material misstatement, or whether due to fraud or error, selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the association's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Executive Committee, as well as evaluating the overall presentation of the financial report.

The financial report has been prepared for distribution to members for the purpose of fulfilling the Executive Committees' financial reporting requirements under the Charitable Fundraising Act 1991 and the Associations Incorporation Act NSW 2009. We disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

Our audit did not involve an analysis of the prudence of business decisions made by members of the Executive Committee or management. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the Charitable Fundraising Act 1991 and the Associations Incorporations Act NSW 2009 which encompass the requirements of the Corporations Act 2001.

Surf Life Saving Sydney Incorporated

Independent Audit Report

Basis for Qualified Opinion

As is common for organisations of this type, it is not practical for the club to maintain an effective system of internal control over donations, subscriptions and other fund raising activities until their initial entry in the accounting records. Accordingly, to this extent our audit was limited to the amounts recorded and banked. We are therefore unable to express an opinion on the completeness of the funds raised.

Qualified Auditor's Opinion

In our opinion, except for the effects on the financial report of the matter referred to in the qualification paragraph:

- (a) the financial report of Surf Life Saving Sydney Incorporated is in accordance with the Charitable Fundraising Act 1991 and the Associations Incorporation Act NSW 2009, including:
 - (i) giving a true and fair view of the association's financial position as at 31 May 2016 and of its performance for the year ended on that date; and
 - (ii) complying with Australian Accounting Standards to the extent described in Note 1, the Charitable Fundraising Act 1991 and the Associations Incorporation Act NSW 2009.
- (b) the financial report gives a true and fair view of the financial results of fundraising appeals during the financial year
- (c) any money received as a result of fundraising appeals conducted during the year ended 31 May 2016 has been properly accounted for and applied in accordance with the Charitable Fundraising Act 1991 and the Regulations thereto;
- (d) the financial statements and associated records have been properly kept during the financial year in accordance with provisions of the Charitable Fundraising Act 1991 and the Regulations thereto; and
- (e) at the date of this report, there are reasonable grounds to believe that Surf Life Saving Sydney incorporated will be able to pay its debts as and when they fall due.

DIRECTOR OF ADMINISTRATION

Our Board of Management works as a team. We have a plan which underpins our activities and provides guidance, priorities and measurable outcomes. The strategic plan is a living document which is constantly referenced and developed. This process has delivered results for the Branch this season and will continue to provide direction in the coming season.

During the season our constitution and by-laws were reviewed and amended in order to provide a solid platform to support more efficient management processes. I would like to thank the clubs for supporting the reform process and for their positive engagement.

Sydney Branch continues to engage with 'at-risk' communities through community programs. The RockFishSafe App will be released early this season after a long development phase. Deaths from rock fishing continue to be a concern, with the Sydney Branch region representing the greatest risk nationally for this activity.

In the innovation space our Director of Lifesaving and Education Simon Torsellini has deployed a program which provides members with the ability to record their activities in surf lifesaving which have previously been unrecognised. The program also provides access to critical and useful information.

Sydney Branch was given a gift by Fay Marshall this year – a full set of bound annual reports. The reports are part of the legacy of former Branch President and Life Member Bill Marshall OAM. These reports and subsequent reports are now being scanned to searchable PDF format and will be available to all members. The original reports will then be archived.

Amendments to the constitution in June included a 24-month term for all directors, with half the Board elected each year.

Seven clubs are currently registered for the Quality Clubs Program and should complete the process prior to the start of the season, along with two clubs who have completed the process at Bronze level.

The willingness of clubs to develop strategic plans and participate in the Quality Clubs Program is great to see and I believe that both steps will produce dividends for clubs and a stronger Branch.

The strength and talent in our branch is extraordinary. The annual Awards of Excellence was once again an impressive display of that talent across the board. Congratulations to all winners and finalists and good luck for those nominations taken forward to the SLSNSW Awards of Excellence.

The Board of Management have commenced planning to deliver in key areas of our strategic plan, including a Communications Strategy, improvements in the compliance burden of clubs through the use of SurfGuard to populate online forms for training enrolment and course applications and a schedule of conferences and workshops which will be recorded and available as a downloadable file in a knowledge storage portal.

This year saw the inclusion of a new position on the Board – Director of Member Services. Trent Thomas used his extensive experience and professional expertise to great effect in Surf Life Saving, developing policies and structures which address the important responsibilities of this new portfolio.

Leadership is critical in delivering results in any organisation. President George Shales has managed the onerous responsibility of President and Chairman of the Board with energy and a driven desire to produce results. George gives a great deal to the role of President and expects the same of the Directors.

I would like to thank my fellow directors for their efforts on behalf of the Branch, our Clubs for the pride they fill me with through their magnificent service to our community and the 4,487 active surf lifesavers for their vigilance and service.

Our office staff continue to perform 'above and beyond' in support of the clubs and the Board of Management. Thank you Linda and Victoria for your dedication and hard work.

Keith Grima OAM
