

Memorandum

To:	Clubs and Nipper Coordinators
From:	Doug Hawkins – Director of Junior Development
CC:	Junior Development Committee
Date:	26 th October 2016
Pages:	2
Subject:	Age Manager Courses

Dear Club and Nipper Coordinators,

Reminder

East: Nov 2nd Nov - Sth Maroubra Surf Club 7.00pm

Bate Bay: 3rd Nov - Nth Cronulla Surf Club 7.00pm

This course is for all clubs to send along **those parents who wish to work on the beach**, and who do not hold the current SLSA Age Mgrs Award. (This award is not just for those who are Age Mgrs)

This presentation, as it has in previous years, will assist all clubs to deliver more engaging efficient and safe Nippers each Sunday and on training sessions on other days.

The aim of this course is to outline to parents what Nippers is all about and give them a range of information so they can be engaged on the beach in a very helpful way.

As those clubs have found who have sent large amounts of parents the outcomes are evident on the Sunday after the course, and for many Sundays and seasons to come.

This is especially relevant for those parents in the younger age groups - this way they can get on board in their early seasons.

Each parent needs to bring a pen and that's all - workbooks and coffee and tea and muffins are provided

All clubs should have a plan to then follow through on Module 2 and 3 back at the beach, to ensure those who attended are signed off in SurfGuard..This means that those attending need to be a financial member.

The same course is presented each night, so if they can't come to the one closer to their home they can go to the other. Also for those clubs who have delivered in-house courses then those members who could not come can come to one of these sessions.

Should anyone have any questions regarding the above please email myself, or the JAC Secretary Donna Hargreaves (harg1don@police.nsw.gov.au)

Also for catering purposes please advise Donna of your club numbers by Tuesday 1st November

I look forward to seeing as many of your parents there as able..
