Subject	SLSS SOG : Surf Rescue UAV Operators

Dear Clubs

SLS Sydney Support Operations is pleased to advise that the following members have now qualified as Surf Rescue UAV operators for the Branch this season. These members were from the accepted expressions of interest for operators who were included in Wave 1 and Wave 2 of the UAV training.

Currently these operators are rostering to fly drones in the following areas within the Branch. Eastern Suburbs (covering Waverley and Randwick areas) and Southern Suburbs (covering Bate Bay & RNP areas).

Call signs will be Sydney UAV 2 (Cronulla), Sydney UAV 3 (Randwick) Sydney UAV 4 (Waverley)

UAV Operators will be tasked by SLSS Rescue Coordinators or the SLSS Support Operations Manager.

Each operator will be issued a SLSS uniform and the rostered operator will be wearing a high vis vest identifying them as UAV Operator. At the time of this email, only the high viz vests have been issued. Thank you to Little Ripper and to Kane Hughes for their assistance during the training of these operators.
