Pre Requisites :

Branch requires Assessors to hold Trainers award and be currently endorsed before becoming an Assessor. Course participants must hold TAEDL301A as a credit transfer will be actioned between SLS and HBA. Course participants must be able to attend the 2 full days and will be required to bring lap top or similar device to be able to access wi fi. The Branch pays per head for this course of around \$700 per person, therefore we must have a full commitment of the member to commit to the two days and completion of all follow up tasks. Once Branch has confirmed with Club course participants for dates, each participant will be then contacted direct by email with all the details of the course including all pre learning, enrolment process etc.
