Thank you to all members of Sydney Branch's Support Operations Team. Your contribution during the 2018/19 season is to be congratulated. We look forward to your continued contribution next season to help make Support Operations a success.

The status of patrol hours entry for the respective Support Operations Services is below for the information of Clubs and members as reported from Surfguard.

RWC Support Ski Service

RWC patrol logs for all Support Ski services have been finalised and hours for operators have been logged into Surfguard for the 2018/19 season. Members who have completed a minimum of 20 hours patrolling as a RWC operator representing their Club and supporting the SLSS Support Operations Group have gained 100% PE with this service. Clubs are encouraged to recognise these members at your Presentation Night and in your Annual Report as part of your patrolling 100% patrol efficiency members for the 2018/19 season.
