

SURF LIFE SAVING SYDNEY

MEMORANDUM

To	Clubs, Presidents, Secretaries, Interested Parties
From	Director of Member Services
CC	BOM, LSEC, SSC, JDC, MSC
Date	Wednesday, 3 April 2019
Pages	1
Subject	MPIO Training May 2019

Surf Life Saving Sydney is pleased to advise that an MPIO face-to-face training event has been organised for our Branch to be held at Little Bay. This opportunity provides members with training in member safe practices across the organisation and provides a greater understanding of policies and procedures in place to deal with member protection issues, shall they arise.

An increasing presence of MPIO trained people in our clubs significantly increases the safety of our members and proactively manages the risks involved in participation.

The training will be run again by Morgan Lander – a highly regarded member protection specialist who spoke at the SLSNSW conference last year and ran our previous MPIO courses for the Branch.

The minimum number of candidates required to run the face-to-face training is 10 participants and a maximum number of 25 per course.

Dates : **Course 1 - Thursday 2nd May 2019 6.30 pm - Closing Date 5pm 24/4/19**
 Course 2 – Thursday 16th May 2019 6.30 pm - Closing date 5pm 8/5/19

Location : **SLSS Branch Office, 16 Murra Murra Place, Little Bay**

Cost: **\$55.00 per person. Clubs will be invoiced by Branch for their participants**

Branch office will confirm back with Clubs after closing date of confirmed participants.

The on-line completion of pre requisite modules is required prior to attending the face-to-face training module. Online training and course information can be accessed via 'Play by The Rules' website <https://www.playbytherules.net.au/>

Accordingly, we would ask each Club to reply with the names of members who wish to attend the course via this link <https://www.surveymonkey.com/r/WRJWPLM>

My recommendation regarding the number of MPIOs that a club should have, is 2 for every 100 active members and represent diversity amongst members ie. Age and Gender. Any queries, please do not hesitate in contacting the Branch Office.
