Subject	Patrol Caps

All,

Please find attached SLSA Policy 1.05 "Patrol Uniforms", updated May 2018.

I wish to draw particular attention to the following three (3) points from the Policy in relation to Quartered Patrol Caps:

b. Members performing duties in the water are required to wear a patrol cap and swimming costume. It is highly recommended that a rash vest be worn for sun protection.

e. The red and yellow quartered patrol cap must be worn on the head and secured under the chin at all times when on patrol in the water.

f. When not in the water the red and yellow quartered patrol cap may be worn on the head and secured under the chin, or carried on their person (subject to the person wearing an approved SLS peaked cap or wide brimmed hat).

Please note this important change and distribute to your membership as appropriate.

Questions in relation to this policy should be directed to your Area Lifesaving Coordinator in the first instance.

Kind regards,

Matt Spooner
Lifesaving Manager
