<b>To</b>	Club Captains and Patrol Captains
<b>From</b>	Lifesaving Manager

<b>Date</b>	Friday, 12 October 2018
<b>Pages</b>	1
<b>Subject</b>	Patrol Operation App Update

Dear All,

As per our previous correspondence regarding the new SLSA Operations App, SLS Sydney has continued to monitor feedback from SLSNSW and other Branches in relation to the use of the application for the first few weekends of this season.

After working through some issues faced by other Branches, SLSNSW is confident that Sydney Branch can start to use the new Operations App, and as such, SLS Sydney will return the Samsung Tablets to clubs in the coming week. Patrol Captains may use the Operations App on personal devices if they wish from this weekend onwards in accordance with the instructions issued to Patrol Captains from SLSNSW.

We remind all Clubs and Patrol Captains that should they experience issues with the application, they should revert to paper Patrol Logs.

Regards

**Matt Spooner**
