## MEMORANDUM

<b>To</b>	Captains, Patrol Captains, Duty Officers
<b>From</b>	Lifesaving Manager
<b>CC</b>	Club Presidents, Secretaries, BOM, LSEC
<b>Date</b>	Monday, 17 September 2018

<b>Subject</b>	SLSA Patrol Ops APP

Dear All

As a result of some delays with the release and some functionality issues regarding the updated SLSA Patrol Ops APP, a decision has been made in conjunction with SLSS Director of Lifesaving and Education and SLSNSW Director of Lifesaving that all Sydney Branch Clubs and Services will begin season 2018/2019 without the use of the application, until such time as SLSNSW and SLSS are satisfied that the application meets our operational requirements. This directive is state wide.

This includes Duty Officers and Support Services who can sign on/off with SurfCom via radio until further advised.

Clubs will need to continue to utilize paper logs as per previous seasons until we advise further.

We will continue to work with SLSA and SLSNSW in regard to the release of this app and hope to move to its use later in the season.

Branch confirms that SLSNSW will continue to hold your Club's Samsung Tablet until this is finalised.

Regards

**Matt Spooner**
