MEDAL PRESENTATIONS AND POINTSCORES

Medals will be handed out during the Championships at the recording desks in the area that the Competitors are competing.

This year Sydney Branch will be introducing a point score for the Age Championships.

- **The U8's will not be included in the point score**
- **Double points will apply to the All Age Relays**

The point system will work as follows, 6 points for 1st place and then down to 6th place which will be awarded 1 point. In the case of a tie they will be awarded the same points and the next place will drop a position.

The National Parks Clubs will be competing under the "National Parks" cap and be combined for teams. We hope that this will encourage more competitors from that area.

NEW EVENTS

At the 2019 Championships Sydney Branch will be following the format of NSW State Championships for Cameron Relay and changing it to be a mixed event. This team must be made up of 2 girls and 2 boys with at least 1 girl being a paddler or swimmer.

Mixed beach relays will also be included in the program, with 2 boys and 2 girls making up the teams.
