

SURF LIFE SAVING SYDNEY STANDARD OPERATING PROCEDURE SUPPORT OPERATIONS RWC GROUP

NUMBER: 1.1
TITLE: Support Ski 4 (Waverley) Response Area
DATE: 14 February 2017

Scope This SOP applies to Rescue Coordinators, Duty Officers, RWC Operators and Support Ski 4 (Waverley).

Purpose To define the response areas of Support Ski 4 (Waverley).

Introduction This SOP has been developed so that there is a clear understanding of response areas for Support Ski 4 (Waverley).

Activation Support Ski 4 (Waverley) is activated via SurfCom and Sydney Branch Rescue Coordinators during patrol hours and via Sydney Branch Rescue Coordinators after hours to incidents in the Support Ski 4 Operational Area.

Area of Operation The primary operational area of Support Ski 4 is the Waverley Local Government Area (LGA) from Ben Buckler to Bronte Beach.

The secondary response area is Diamond Bay in the Waverley (LGA) to Molineux Point Yarra Bay in the Bayside (LGA).

This will be part of the Lifesaving service Agreement (LSA) signed between the SLSS and SLNSW.

Communications All communications should be carried out on mobile phone and normal Surf Life Saving Sydney Branch radio channels

Review The SOM and Support Operations Committee will review this SOP annually.
