Subject	Lifesaving Equipment Grant 2018-2019

Dear Captains

SLSNSW has released Circular 3584 with information of the 2018/19 Lifesaving Equipment Grant (LEG).

Clubs are to note that the procedure of application requires no application form.

Clubs are to email to Branch office lifesaving@surflifesavingsydney.com.au by COB Tuesday 2 April 2019 advising which items your Club wishes to apply for under this grant. No late applications will be accepted.

As you are aware the Branch is allocated a total sum of money for the grant. The Branch will review all club requests to fit within the Branch allocated funding and we will confirm back to clubs of your successful items of equipment once approved.

Attached is SLSNSW Circular 3584 which we ask you to please read and respond back to Branch office with your request by the closing date. Your co-operation with advising the Branch office by COB 2/4/2019 with your LEG request would be appreciated so the Branch meets the deadline with SLSNSW for submissions.

Regards

Simon Torsellini
