Pink Hi-Viz Rash Vests (not supplied) must be worn for all water events

IMPORTANT CARNIVAL INFORMATION

Officials and Water Safety

All clubs are required to supply their allocation of officials and water safety for this carnival, as outlined in the officials' appointments and water safety rosters. This is required to ensure the efficient and safe running of the event.

Any clubs failing to meet their obligation in either may render their club's competitor's ineligible to compete at the carnival, at the discretion of the Referee.

All Officials (other than Section Referees) and Water Safety must report to their respective areas 30 mins prior to first event in that area.

Junior Interbranch Selection Trial Information

Nominations for entries to the Junior Interbranch Selection Trial are outlined in [Circular 201909-03 - SLSNB Interbranch Junior Selection Trial](#). Please note that that the draws for the initial heats will be set up for all events and available prior to the start of the carnival so it is essential that you send the correct list of competitors to surfsports@surflifesaving.net.au

Masters Beach Events

Given the low number of Masters events in the current surf sports calendar, we are introducing Masters Beach events into this program, and will be running events in 10-year age groups i.e. 30-39, 40-49, 50-59, 60-69, 70+.

Dependant on numbers, Masters may start with flags whilst Opens are doing Sprints and then swap when done.

Mixed Board Relays

Time permitting, Mixed Board Relays will be run at the end of the Junior and Open program, which will comprise of teams randomly selected from different clubs. More details to be provided on the day.
