Subject	Silver Medallion Aquatic Rescue Certificate Award Course November 2019

Sydney Branch is pleased to advise clubs that we have scheduled a SMAR award course to be held during November 2019. This course is recommended for current patrolling members who wish to develop their skills in search and rescue operations.

As numbers for this course are limited to a maximum of 24 candidates total, places on the course will not be confirmed until after the closing date. If a higher number of people wish to register clubs will be given a quota of allocated places. It would be appreciated if Clubs would prioritise their members in order of preference for the course.

This award course ***requires physical requirements of a fitness level to meet the course outcomes***, which should be considered by Clubs (Club Captains) when determining which candidates they will consider for registration of this course.

Course Description

The aim of the course is to provide participants with the skills and knowledge to participate in search and rescue operations. This course includes participating as a team member in aquatic searches, specialist rock rescue techniques, and a night search and rescue operation on land.

Award

Upon successful completion of this course participants will receive the SLSA Silver Medallion Aquatic Rescue Certificate and a nationally recognised Statement of Attainment for the following units of competency :

- PUAOHSOO2B Maintain safety at an incident scene
- PUASAR011C Search as a member of an aquatic search team

These units of competency derive from the Cert III in Public Safety (Aquatic Search and Rescue) PUA31312
