Subject	Request for SLS Trainer/Team Assistance - Garie Surf Club Recruitment Program

This request is via Commercial Engagement

As per [Branch Circular 11](#), Garie SLSC has been working to recruit new members to their Club, via the Garie "Vanguard Program" - working directly with residents from Western Sydney.

This outreach program has been successful, and approximately 14+ new candidates are now ready to complete their SRC / Bronze Medallion, with all becoming active patrolling members of Garie SLSC by December 2019.

Theory training commenced on Tuesday 15th October at Auburn Pool.

As one of SLS Sydney's smaller clubs, Garie SLSC doesn't have the Training team needed to deliver this course, therefore Sydney Branch is now requesting the assistance from the experienced BM Trainers within the Branch **via a commercial engagement for the Beach Training at Garie**

The SLS Beach and Skills Training will take place between 27th October and 8th December at Garie Beach, and the Branch is seeking a BM Trainer to be the Lead Trainer at the beach training. We are looking for a commitment for all the sessions at Garie being the following:

27th October, and every Sunday in November at Garie Beach (with 4th November at Auburn Pool), and then 1st and 8th of December for Mock and Final Assessment.

SLS Sydney will be supporting the Trainer by paying for their time and covering their travel costs. These will be paid in line with SLSNSW Academy Rates.

We understand that it's also good to work with those you know from your Club, so if there are two person teams interested please advise also - 1 x BM Trainer and 1 x SME/WS.

This a great opportunity to assist a fellow SLS Sydney club, who currently work with just 25 patrolling members –so supporting a nearly 50% increase in the patrolling lifesavers of Garie SLSC...a great kick start for the Club!

For any questions re the above, or to express your interest, please contact Karen, SLS Sydney Club Development Officer: clubdevelopment@surflifesavingsydney.com.au, **by 4pm Wednesday 23rd October.**

On behalf of the Garie Vanguard Project team and SLS Sydney we thank you for your consideration. We look forward to hearing from you, and your being part of this innovative and engaging program.

Best regards,

Rebecca Heron-Dowling
