Subject	Request for SLS Trainer Assistance – Vanguard II

Surf Life Saving Sydney, on behalf of Garie SLSC would like to call for expressions of interest for trainers from across the branch to deliver the theory components (only) of another BM/Cert II course for Garie SLSC as part of the Vanguard program. This training will be conducted mid week evenings on a day convenient to the trainer/s.

It is envisaged the training will commence the week of 10 February 2020 and continue for approximately 8 weeks. SLS Sydney will be supporting the Trainer by reimbursing for travel expenses incurred.

The facilitation of this course continues the exciting community partnership that brings Surf Life Saving to communities who would not usually have access to what the 'red and yellow' can offer.

The course will require :

- At least 1 male and 1 female current endorsed Training Officer BM (due to cultural requirements)
- Willingness and ability to travel mid week to swimming pools located within Liverpool, Strathfield areas of Sydney. Actual venue/s to be determined and advised. There is no requirement to travel to Garie as the Club can and will be conducting the practical training sessions at Garie themselves.
